

*Room Confinement Report*

*July 1, 2017 thru September 30, 2017*

All rooms at the LCYSC are locked. All youth have single rooms. Our report reflects any time a youth is placed in their room. If a youth asked to go to their room, we considered it voluntary. Our programming allows for youth to be out of rooms with the exception of sleeping time and change of staffing/headcount. The computerization of each door allows for us to know the exact times youth are in rooms which provides us with an additional quality assurance.

This data excludes sleeping time unless specified in the report when sleeping time is in conjunction with an involuntary placement in their room. Youth are considered involuntarily placed in their room in instances of general emergencies, formal head count, behavioral rule violation's (refer to Nebraska Juvenile Detention Standards). We have listed below the "reason" a youth(s) was placed involuntarily in their room by "reason" by month.
