## *Room Confinement Report*

*January 1, 2018 thru March 31, 2018*

All rooms at the LCYSC are locked. All youth have single rooms. Our report reflects any time a youth is placed in their room. If a youth asked to go to their room, we considered it voluntary. Our programming allows for youth to be out of rooms with the exception of sleeping time and change of staffing/headcount. The computerization of each door allows for us to know the exact times youth are in rooms which provides us with an additional quality assurance.
