Joe Kohout

**Representing:**

District 45  
League of Nebraska Municipalities  
United Cities of Sarpy County

**Opponents:**

**Representing:**

**Neutral:**

**Representing:**

---

**Summary of purpose and/or changes:**

LB 74 would clarify references to certain county population thresholds which impact municipalities, providing that such thresholds are met based on either the most recent federal decennial census or the most recent revised certified count by the United States Bureau of the Census

LB 74 would also align the population thresholds relating to annexation, suburban development, and planned unit development by municipalities located in certain counties.
