LB 245 amends the Abstracters Act, Sections 76-542 and 76-546.

Section 76-542 is amended to remove the one year of land title-related experience requirement necessary for registration from the Act.

Section 76-546 is amended regarding the issuance of a temporary certificate, to remove the proof of land title-related experience requirement.

The Board of Abstracters indicates no fiscal impact as a result of the provisions of LB 345.

We disagree somewhat with the Board's estimate and believe that relaxing the requirements for registration as an abstracter could result in a small amount of new registrations and a small, indeterminate increase in revenue.
