LB 738 amends Nebraska Revised Statutes Section 77-2716 regarding adjustments to income for Nebraska income tax purposes.

The bill provides for the indexing of the amounts used for the social security adjustments to income at the same rate used for the indexing of individual income tax brackets. The current threshold is \$58,000 for married filing jointly returns and \$43,000 for all other returns.

The percentage of adjustment to be used is determined pursuant to the provisions of section 1(f) of the Internal Revenue Code of 1986, as amended, except in section 1(f)(3)(B) of the code the year 2013 shall be substituted for the year 1992.

The Department of Revenue estimates the following fiscal impact to the General Fund:

FY2018-19:	(\$ 346,000)
FY2019-20:	(\$ 1,325,000)
FY2020-21:	(\$ 2,572,000)
FY2021-22:	(\$ 3,937,000)

The Department indicates a one-time programming charge of \$49,343 paid to the Office of the CIO for mainframe costs.

We have no basis to disagree with the Department of Revenue's estimate of fiscal impact and cost.
