This bill, as amended by AM1779 and AM2742, would change provisions relating to lump-sum settlements under the Nebraska Workers' Compensation Act.

The Workers' Compensation Court estimates no fiscal impact from this bill, as amended by AM1779 and AM2742.

DAS Risk Management estimates no fiscal impact from this bill, as amended by AM1779.

The City of Lincoln estimate no fiscal impact from this bill, as amended by AM1779.

AM2762 is similar to LB784. That bill amends the Employee Classification Act to provide that any contractor who has unpaid fines as a result of a violation of the Employee Classification Act (ECA) shall be barred from contracting with the State of Nebraska or any political subdivision until such fines are paid.

In the fiscal note to LB784, the Department of Labor (NDOL) indicated a cost of \$500 per fiscal year for posting on the NDOL ECA website those contractors with unpaid fines. Cost would be charged against the Contractor's Registration Cash Fund. They also indicate a minimal amount of staff time necessary and can absorb that cost.

Due to the relatively small expenditure impact, no additional appropriation should be required.

In the fiscal note to LB784, the Department of Administrative Services stated that there is no fiscal impact to them.

Explanation of Estimate:

LB 953 AM1779 seeks to clean up language as it relates to lump sum settlements. Specifically, it creates a presumption that a lump-sum settlement conforms with the compensation schedule, provides for the payment of unpaid medical services, and is in the best interests of the employee or his or her dependents if an employee’s attorney so affirms in an application for approval of the settlement. The bill also extends this to include the employee’s eligibility for Medicare as it relates to the settlement. The proposed change also seeks to eliminate the requirement that a release be filed to discharge an employer from further liability after an order for a lump sum settlement has been approved by the Court. A release would only be required upon entry of an order of dismissal with prejudice.

There would be no additional duties or cost to the State to comply with the proposed legislation.

There is no fiscal impact to the Department of Administrative Services – Risk Management Division.
