3 84-901.01 (1) When legislation is enacted requiring the adoption and  
4 promulgation of rules and regulations by an agency, such agency shall  
5 adopt and promulgate such rules and regulations within one year after the  
6 public hearing required under subsection (2) of section 84-907. Such time

12 an explanation to the Executive Board of the Legislative Council and the  
13 standing committee of the Legislature which has subject matter  
14 jurisdiction over the issue involved in the legislation, stating the  
15 reasons why it has not adopted such rules and regulations as required by  
16 this section, the date by which the agency expects to adopt such rules  
17 and regulations, and any suggested statutory changes that may enable the  
18 agency to adopt such rules and regulations.

19 (2) If such agency has not adopted and promulgated such rules and  
20 regulations within three years after the operative or effective date of  
21 such enacting legislation, the standing committee of the Legislature

24 rules and regulations have not been enacted.

25 (3) The changes made to the Administrative Procedure Act by Laws

27 regulation adopted prior to May 25, 2011.

28 (4) The changes made to this section by Laws 2013, LB242, shall  
29 apply to legislation enacted before, on, or after September 6, 2013.

6 required pursuant to section 84-901.01, the agency shall provide an  
7 explanation to the committee stating why the agency has not adopted and
