**Date of Hearing: February 07, 2018**

The following constitutes the reasons for this bill and the purposes which are sought to be accomplished thereby:

LB 1119 adopts the Direct Primary Care Pilot Program Act, and creates a pilot program within the Nebraska State Insurance Program. The pilot program would begin in fiscal year 2019-20 and continue through fiscal year 2021-22. This program would require the Department of Administrative Services to provide enrollees with at least two different direct primary care health plans. The Act further provides terms of state employee and direct provider participation in the pilot program, and outlines reporting requirements for the Department.
