

**One Hundred Fifth Legislature - First Session - 2017**

**Introducer's Statement of Intent**

**LB317**

---

**Chairperson: Senator Justin Wayne**

**Committee: Urban Affairs**

**Date of Hearing: January 24, 2017**

The following constitutes the reasons for this bill and the purposes which are sought to be accomplished thereby:

LB 317 adds language to section 17-703 which will allow cities of the second class and villages to re-levy or reassess a special assessment when the special assessment is found to be invalid and uncollectable, void by a court, or is paid under protest and recovered by suit because of a defect, irregularity, or invalidity in any of the proceedings or failure to comply with statute. Cities of the second class and villages currently do not have the authority to reassess or re-levy. The language mirrors the authority given to cities of the first class in this area.
