The following constitutes the reasons for this bill and the purposes which are sought to be accomplished thereby:

Under Nebraska Revised Statute § 18-1720, municipalities have existing legislative authority to regulate and enforce nuisances within their extraterritorial zoning jurisdiction. LB 735 builds on this broad-based legislative authority by allowing municipalities to enter interlocal agreements with a county in which the municipality's extraterritorial jurisdiction is located to provide for joint and cooperative action to abate, remove, or prevent nuisances.
