

One Hundred Fifth Legislature - First Session - 2017

Introducer's Statement of Intent

LB82

Chairperson: Senator Curt Friesen

Committee: Transportation and Telecommunications

Date of Hearing: February 28, 2017

The following constitutes the reasons for this bill and the purposes which are sought to be accomplished thereby:

LB82 would amend section 60-601 to include language in the next printing of the Nebraska Driver's Manual detailing what a driver should do if they were to be engaged in a traffic stop by a law enforcement officer. The bill does not change the rules and regulations of either the DMV or law enforcement but gives a clear outline of what is expected of the driver based on current Nebraska law and law enforcement rules and regulations.
