

One Hundred Fifth Legislature - Second Session - 2018

Introducer's Statement of Intent

LB849

Chairperson: Senator Laura Ebke

Committee: Judiciary

Date of Hearing: January 25, 2018

The following constitutes the reasons for this bill and the purposes which are sought to be accomplished thereby:

Current law provides for a concealed handgun permitholder's firearm to be retained by law enforcement or other emergency responders when the permitholder is being transported for a medical emergency and in other similar circumstances. This bill would clarify the process by which the permitholder's property would be returned to the permitholder or the permitholder's lawful designee.
