

One Hundred Fifth Legislature - Second Session - 2018

Introducer's Statement of Intent

LB879

Chairperson: Senator Laura Ebke

Committee: Judiciary

Date of Hearing: February 02, 2018

The following constitutes the reasons for this bill and the purposes which are sought to be accomplished thereby:

LB879 would add one check-the-box question to an existing vital statistics form that is required in connection to divorce procedures in the state. The question would ask the parties to check the box that best summarizes the parenting time arrangements contained in the divorce decree. The bill would also collect information about domestic violence and other risk factors, which is not currently collected. The Nebraska form is already in use and there are well established procedures in place to collect the forms and compile the information collected.
