

One Hundred Fifth Legislature - First Session - 2017

Introducer's Statement of Intent

LR127

Chairman: Senator Dan Watermeier

Committee: Executive Board

Date of Hearing: May 16, 2017

The following constitutes the reasons for this bill and the purposes which are sought to be accomplished thereby:

The purpose of Legislative Resolution 127 is to authorize the Executive Board to establish the Nebraska Justice System Special Investigative Committee. The Committee would continue the work of the LR 424 Committee (2014) and the LR 34 Committee (2015) as it relates to the Department of Correctional Services, but would also expand its oversight to include a review of the role of state agencies and their involvement in the justice system since many issues facing the Department are impacted by other parts of the justice system.
