25 expressly exempt from taxation, and shall be valued at its net book
26 value. Tangible personal property transferred as a gift or devise or as
27 part of a transaction which is not a purchase shall be subject to

30 personal property acquired as replacement property for converted property
31 shall be subject to taxation based upon the date the converted property

1 was acquired and at the Nebraska adjusted basis of the converted property
2 unless insurance proceeds are payable by reason of the conversion. For
3 purposes of this subsection, (a) converted property means tangible
4 personal property which is compulsorily or involuntarily converted as a
5 result of its destruction in whole or in part, theft, seizure,
6 requisition, or condemnation, or the threat or imminence thereof, and no
7 gain or loss is recognized for federal or state income tax purposes by
8 the holder of the property as a result of the conversion and (b)
9 replacement property means tangible personal property acquired within two
10 years after the close of the calendar year in which tangible personal
11 property was converted and which is, except for date of construction or

13 (6) For purposes of this section, taxes levied by school districts
14 and multiple-district school systems means property taxes levied on real
15 or personal property by any school district or multiple-district school
16 system, regardless of the purpose for which such taxes are levied.

17 Sec. 3. Section 77-202, Reissue Revised Statutes of Nebraska, is
18 amended to read:

19 77-202 (1) The following property shall be exempt from property
20 taxes:

21 (a) Property of the state and its governmental subdivisions to the
22 extent used or being developed for use by the state or governmental
23 subdivision for a public purpose. For purposes of this subdivision:

24 (i) Property of the state and its governmental subdivisions means
25 (A) property held in fee title by the state or a governmental subdivision
26 or (B) property beneficially owned by the state or a governmental
27 subdivision in that it is used for a public purpose and is being acquired
28 under a lease-purchase agreement, financing lease, or other instrument
29 which provides for transfer of legal title to the property to the state
30 or a governmental subdivision upon payment of all amounts due thereunder.
31 If the property to be beneficially owned by a governmental subdivision

1 has a total acquisition cost that exceeds the threshold amount or will be
2 used as the site of a public building with a total estimated construction
3 cost that exceeds the threshold amount, then such property shall qualify
4 for an exemption under this section only if the question of acquiring
5 such property or constructing such public building has been submitted at
6 a primary, general, or special election held within the governmental
7 subdivision and has been approved by the voters of the governmental
8 subdivision. For purposes of this subdivision, threshold amount means the
9 greater of fifty thousand dollars or six-tenths of one percent of the
10 total actual value of real and personal property of the governmental
11 subdivision that will beneficially own the property as of the end of the
12 governmental subdivision's prior fiscal year; and

13 (ii) Public purpose means use of the property (A) to provide public
14 services with or without cost to the recipient, including the general
15 operation of government, public education, public safety, transportation,
16 public works, civil and criminal justice, public health and welfare,
17 developments by a public housing authority, parks, culture, recreation,
18 community development, and cemetery purposes, or (B) to carry out the
19 duties and responsibilities conferred by law with or without
20 consideration. Public purpose does not include leasing of property to a
21 private party unless the lease of the property is at fair market value
22 for a public purpose. Leases of property by a public housing authority to
23 low-income individuals as a place of residence are for the authority's
24 public purpose;

25 (b) Unleased property of the state or its governmental subdivisions
26 which is not being used or developed for use for a public purpose but
27 upon which a payment in lieu of taxes is paid for public safety, rescue,
28 and emergency services and road or street construction or maintenance
29 services to all governmental units providing such services to the
30 property. Except as provided in Article VIII, section 11, of the
31 Constitution of Nebraska, the payment in lieu of taxes shall be based on

1 the proportionate share of the cost of providing public safety, rescue,
2 or emergency services and road or street construction or maintenance
3 services unless a general policy is adopted by the governing body of the
4 governmental subdivision providing such services which provides for a
5 different method of determining the amount of the payment in lieu of
6 taxes. The governing body may adopt a general policy by ordinance or
7 resolution for determining the amount of payment in lieu of taxes by
8 majority vote after a hearing on the ordinance or resolution. Such
9 ordinance or resolution shall nevertheless result in an equitable
10 contribution for the cost of providing such services to the exempt
11 property;

12 (c) Property owned by and used exclusively for agricultural and
13 horticultural societies;

14 (d) Property owned by educational, religious, charitable, or
15 cemetery organizations, or any organization for the exclusive benefit of
16 any such educational, religious, charitable, or cemetery organization,
17 and used exclusively for educational, religious, charitable, or cemetery
18 purposes, when such property is not (i) owned or used for financial gain
19 or profit to either the owner or user, (ii) used for the sale of
20 alcoholic liquors for more than twenty hours per week, or (iii) owned or
21 used by an organization which discriminates in membership or employment
22 based on race, color, or national origin. For purposes of this
23 subdivision, educational organization means (A) an institution operated
24 exclusively for the purpose of offering regular courses with systematic
25 instruction in academic, vocational, or technical subjects or assisting
26 students through services relating to the origination, processing, or
27 guarantying of federally reinsured student loans for higher education or
28 (B) a museum or historical society operated exclusively for the benefit
29 and education of the public. For purposes of this subdivision, charitable
30 organization includes an organization operated exclusively for the
31 purpose of the mental, social, or physical benefit of the public or an

1 indefinite number of persons and a fraternal benefit society organized
2 and licensed under sections 44-1072 to 44-10,109; and

3 (e) Household goods and personal effects not owned or used for
4 financial gain or profit to either the owner or user.

5 (2) The increased value of land by reason of shade and ornamental
6 trees planted along the highway shall not be taken into account in the
7 valuation of land.

8 (3) Tangible personal property which is not depreciable tangible
9 personal property as defined in section 77-119 shall be exempt from
10 property tax.

11 (4) Motor vehicles, trailers, and semitrailers required to be
12 registered for operation on the highways of this state shall be exempt
13 from payment of property taxes.

14 (5) Business and agricultural inventory shall be exempt from the
15 personal property tax. For purposes of this subsection, business
16 inventory includes personal property owned for purposes of leasing or
17 renting such property to others for financial gain only if the personal
18 property is of a type which in the ordinary course of business is leased
19 or rented thirty days or less and may be returned at the option of the
20 lessee or renter at any time and the personal property is of a type which
21 would be considered household goods or personal effects if owned by an
22 individual. All other personal property owned for purposes of leasing or
23 renting such property to others for financial gain shall not be
24 considered business inventory.

25 (6) Any personal property exempt pursuant to subsection (2) of
26 section 77-4105 or section 77-5209.02 shall be exempt from the personal
27 property tax.

28 (7) Livestock shall be exempt from the personal property tax.

29 (8) Any personal property exempt pursuant to the Nebraska Advantage
30 Act shall be exempt from the personal property tax.

31 (9) Any depreciable tangible personal property used directly in the

1 generation of electricity using wind as the fuel source shall be exempt
2 from the property tax levied on depreciable tangible personal property.
3 Any depreciable tangible personal property used directly in the
4 generation of electricity using solar, biomass, or landfill gas as the
5 fuel source shall be exempt from the property tax levied on depreciable
6 tangible personal property if such depreciable tangible personal property
7 was installed on or after January 1, 2016, and has a nameplate capacity
8 of one hundred kilowatts or more. Depreciable tangible personal property
9 used directly in the generation of electricity using wind, solar,
10 biomass, or landfill gas as the fuel source includes, but is not limited
11 to, wind turbines, rotors and blades, towers, solar panels, trackers,
12 generating equipment, transmission components, substations, supporting
13 structures or racks, inverters, and other system components such as
14 wiring, control systems, switchgears, and generator step-up transformers.

15 (10) Any tangible personal property that is acquired by a person
16 operating a data center located in this state, that is assembled,
17 engineered, processed, fabricated, manufactured into, attached to, or
18 incorporated into other tangible personal property, both in component
19 form or that of an assembled product, for the purpose of subsequent use
20 at a physical location outside this state by the person operating a data
21 center shall be exempt from the personal property tax. Such exemption
22 extends to keeping, retaining, or exercising any right or power over
23 tangible personal property in this state for the purpose of subsequently
24 transporting it outside this state for use thereafter outside this state.
25 For purposes of this subsection, data center means computers, supporting
26 equipment, and other organized assembly of hardware or software that are
27 designed to centralize the storage, management, or dissemination of data
28 and information, environmentally controlled structures or facilities or
29 interrelated structures or facilities that provide the infrastructure for
30 housing the equipment, such as raised flooring, electricity supply,
31 communication and data lines, Internet access, cooling, security, and

1 fire suppression, and any building housing the foregoing.

2 (11) For tax years prior to tax year 2020, each person who owns
3 property required to be reported to the county assessor under section
4 77-1201, ~~there~~ shall be allowed an exemption amount as provided in the
5 Personal Property Tax Relief Act. For tax years prior to tax year 2020,
6 each person who owns property required to be valued by the state as
7 provided in section 77-601, 77-682, 77-801, or 77-1248, ~~there~~ shall be
8 allowed a compensating exemption factor as provided in the Personal
9 Property Tax Relief Act.

10 Sec. 4. Section 77-693, Reissue Revised Statutes of Nebraska, is
11 amended to read:

12 77-693 (1) The Property Tax Administrator in determining the taxable
13 value of railroads and car lines shall determine the following ratios
14 involving railroad and car line property and commercial and industrial
15 property:

16 (a) The ratio of the taxable value of all commercial and industrial
17 personal property in the state actually subjected to property tax divided
18 by the market value of all commercial and industrial personal property in
19 the state;

20 (b) The ratio of the taxable value of all commercial and industrial
21 real property in the state actually subjected to property tax divided by
22 the market value of all commercial and industrial real property in the
23 state;

24 (c) The ratio of the taxable value of railroad personal property to
25 the market value of railroad personal property. The numerator of the
26 ratio shall be the taxable value of railroad personal property. The
27 denominator of the ratio shall be the railroad system value allocated to
28 Nebraska and multiplied by a factor representing the net book value of
29 rail transportation personal property divided by the net book value of
30 total rail transportation property;

31 (d) The ratio of the taxable value of railroad real property to the

1 market value of railroad real property. The numerator of the ratio shall
2 be the taxable value of railroad real property. The denominator of the
3 ratio shall be the railroad system value allocated to Nebraska and
4 multiplied by a factor representing the net book value of rail
5 transportation real property divided by the net book value of total rail
6 transportation property; and

7 (e) Similar calculations shall be made for car line taxable
8 properties.

9 (2) If the ratio of the taxable value of railroad and car line
10 personal or real property exceeds the ratio of the comparable taxable
11 commercial and industrial property by more than five percent, the
12 Property Tax Administrator may adjust the value of such railroad and car
13 line property to the percentage of the comparable taxable commercial and
14 industrial property pursuant to federal statute or Nebraska federal court
15 decisions applicable thereto.

16 (3) For purposes of this section, commercial and industrial property
17 shall mean all real and personal property which is devoted to commercial
18 or industrial use other than rail transportation property and land used
19 primarily for agricultural purposes.

20 (4) For tax years prior to tax year 2020, after ~~After~~ the adjustment
21 made pursuant to subsections (1) and (2) of this section, the Property
22 Tax Administrator shall multiply the value of the tangible personal
23 property of each railroad and car line by the compensating exemption
24 factor calculated in section 77-1238.

25 Sec. 5. Section 77-801, Reissue Revised Statutes of Nebraska, is
26 amended to read:

27 77-801 (1) All public service entities shall, on or before April 15
28 of each year, furnish a statement specifying such information as may be
29 required by the Property Tax Administrator on forms prescribed by the Tax
30 Commissioner to determine and distribute the entity's total taxable value
31 including the franchise value. All information reported by the public

1 service entities, not available from any other public source, and any
2 memorandum thereof shall be confidential and available to taxing
3 officials only. For good cause shown, the Property Tax Administrator may
4 allow an extension of time in which to file such statement. Such
5 extension shall not exceed fifteen days after April 15.

6 (2) The returns of public service entities shall not be held to be
7 conclusive as to the taxable value of the property, but the Property Tax
8 Administrator shall, from all the information which he or she is able to
9 obtain, find the taxable value of all such property, including tangible
10 property and franchises, and shall assess such property on the same basis
11 as other property is required to be assessed.

12 (3) The county assessor shall assess all nonoperating property of
13 any public service entity. A public service entity operating within the
14 State of Nebraska shall, on or before January 1 of each year, report to
15 the county assessor of each county in which it has situs all nonoperating
16 property belonging to such entity which is not subject to assessment and
17 assessed by the Property Tax Administrator under section 77-802.

18 (4) For tax years prior to tax year 2020, the The Property Tax
19 Administrator shall multiply the value of the tangible personal property
20 of each public service entity by the compensating exemption factor
21 calculated in section 77-1238.

22 Sec. 6. Section 77-1238, Reissue Revised Statutes of Nebraska, is
23 amended to read:

24 77-1238 (1) For tax years prior to tax year 2020, every Every person
25 who is required to list his or her taxable tangible personal property as
26 defined in section 77-105, as required under section 77-1229, shall
27 receive an exemption from taxation for the first ten thousand dollars of
28 valuation of his or her tangible personal property in each tax district
29 as defined in section 77-127 in which a personal property return is
30 required to be filed. Failure to report tangible personal property on the
31 personal property return required by section 77-1229 shall result in a

1 forfeiture of the exemption for any tangible personal property not timely
2 reported for that year.

3 (2) For tax years prior to tax year 2020, the The Property Tax
4 Administrator shall reduce the value of the tangible personal property
5 owned by each railroad, car line company, public service entity, and air
6 carrier by a compensating exemption factor to reflect the exemption
7 allowed in subsection (1) of this section for all other personal property
8 taxpayers. The compensating exemption factor is calculated by multiplying
9 the value of the tangible personal property of the railroad, car line
10 company, public service entity, or air carrier by a fraction, the
11 numerator of which is the total amount of locally assessed tangible
12 personal property that is actually subjected to property tax after the
13 exemption allowed in subsection (1) of this section, and the denominator
14 of which is the net book value of locally assessed tangible personal
15 property prior to the exemptions allowed in subsection (1) of this
16 section.

17 Sec. 7. Section 77-1239, Revised Statutes Supplement, 2019, is
18 amended to read:

19 77-1239 (1) For tax years prior to tax year 2020, reimbursement
20 ~~Reimbursement~~ to taxing subdivisions for tax revenue that will be lost
21 because of the personal property tax exemptions allowed in subsection (1)
22 of section 77-1238 shall be as provided in this subsection. The county
23 assessor and county treasurer shall, on or before November 30 of each
24 year, certify to the Tax Commissioner, on forms prescribed by the Tax
25 Commissioner, the total tax revenue that will be lost to all taxing
26 subdivisions within his or her county from taxes levied and assessed in
27 that year because of the personal property tax exemptions allowed in
28 subsection (1) of section 77-1238. The county assessor and county
29 treasurer may amend the certification to show any change or correction in
30 the total tax revenue that will be lost until May 30 of the next
31 succeeding year. The Tax Commissioner shall, on or before January 1 next

1 following the certification, notify the Director of Administrative
2 Services of the amount so certified to be reimbursed by the state.
3 Reimbursement of the tax revenue lost shall be made to each county
4 according to the certification and shall be distributed in two
5 approximately equal installments on the last business day of February and
6 the last business day of June. The State Treasurer shall, on the business
7 day preceding the last business day of February and the last business day
8 of June, notify the Director of Administrative Services of the amount of
9 funds available in the General Fund to pay the reimbursement. The
10 Director of Administrative Services shall, on the last business day of
11 February and the last business day of June, draw warrants against funds
12 appropriated. Out of the amount received, the county treasurer shall
13 distribute to each of the taxing subdivisions within his or her county
14 the full tax revenue lost by each subdivision, except that one percent of
15 such amount shall be deposited in the county general fund.

16 (2) For tax years prior to tax year 2020, reimbursement
17 ~~Reimbursement~~ to taxing subdivisions for tax revenue that will be lost
18 because of the compensating exemption factor in subsection (2) of section
19 77-1238 shall be as provided in this subsection. The Property Tax
20 Administrator shall establish the average tax rate that will be used for
21 purposes of reimbursing taxing subdivisions pursuant to this subsection.
22 The average tax rate shall be equal to the total property taxes levied in
23 the state divided by the total taxable value of all taxable property in
24 the state as certified pursuant to section 77-1613.01. The total
25 valuation that will be lost to all taxing subdivisions within each county
26 because of the compensating exemption factor in subsection (2) of section
27 77-1238, multiplied by the average tax rate calculated pursuant to this
28 subsection, shall be the tax revenue to be reimbursed to the taxing
29 subdivisions by the state. Reimbursement of the tax revenue lost for
30 public service entities shall be made to each county according to the
31 certification and shall be distributed among the taxing subdivisions

1 within each county in the same proportion as all public service entity
2 taxes levied by the taxing subdivisions. Reimbursement of the tax revenue
3 lost for railroads shall be made to each county according to the
4 certification and shall be distributed among the taxing subdivisions
5 within each county in the same proportion as all railroad taxes levied by
6 taxing subdivisions. Reimbursement of the tax revenue lost for car line
7 companies shall be distributed in the same manner as the taxes collected
8 pursuant to section 77-684. Reimbursement of the tax revenue lost for air
9 carriers shall be distributed in the same manner as the taxes collected
10 pursuant to section 77-1250.

11 (3) Each taxing subdivision shall, in preparing its annual or
12 biennial budget, take into account the amounts to be received under this
13 section.

14 Sec. 8. Section 77-1248, Reissue Revised Statutes of Nebraska, is
15 amended to read:

16 77-1248 (1) The Property Tax Administrator shall ascertain from the
17 reports made and from any other information obtained by him or her the
18 taxable value of the flight equipment of air carriers and the proportion
19 allocated to this state for the purposes of taxation as provided in
20 section 77-1245.

21 (2)(a) In determining the taxable value of the flight equipment of
22 air carriers pursuant to subsection (1) of this section, the Property Tax
23 Administrator shall determine the following ratios:

24 (i) The ratio of the taxable value of all commercial and industrial
25 depreciable tangible personal property in the state actually subjected to
26 property tax to the market value of all commercial and industrial
27 depreciable tangible personal property in the state; and

28 (ii) The ratio of the taxable value of flight equipment of air
29 carriers to the market value of flight equipment of air carriers.

30 (b) If the ratio of the taxable value of flight equipment of air
31 carriers exceeds the ratio of the taxable value of commercial and

1 industrial depreciable tangible personal property by more than five
2 percent, the Property Tax Administrator may adjust the value of such
3 flight equipment of air carriers to the percentage of the taxable
4 commercial and industrial depreciable tangible personal property pursuant
5 to federal law applicable to air carrier transportation property or
6 Nebraska federal court decisions applicable thereto.

7 (c) For purposes of this subsection, commercial and industrial
8 depreciable tangible personal property means all personal property which
9 is devoted to commercial or industrial use other than flight equipment of
10 air carriers.

11 (3) For tax years prior to tax year 2020, the The Property Tax
12 Administrator shall multiply the valuation of each air carrier by the
13 compensating exemption factor calculated in section 77-1238.

14 Sec. 9. Section 77-1391, Reissue Revised Statutes of Nebraska, is
15 amended to read:

16 77-1391 (1) Commencing January 1, 2006, for all real property for
17 which a final certificate of rehabilitation has been issued, the
18 valuation for purposes of assessment shall be no more than the base-year
19 valuation for eight years following issuance of the final certificate of
20 rehabilitation.

21 (2) For the four years following the expiration of the eight-year
22 period specified in subsection (1) of this section, the valuation for
23 purposes of the assessment shall be as follows:

24 (a) For the first year, the base-year valuation plus twenty-five
25 percent of the difference in the base-year valuation and the current year
26 assessed ~~actual~~ value;

27 (b) For the second year, the base-year valuation plus fifty percent
28 of the difference in the base-year valuation and the current year
29 assessed ~~actual~~ value;

30 (c) For the third year, the base-year valuation plus seventy-five
31 percent of the difference in the base-year valuation and the current year

1 ~~assessed actual~~ value; and

2 (d) For the fourth year, the current year ~~assessed actual~~ value.

3 (3) For purposes of sections 77-1385 to 77-1394, base-year valuation
4 means the assessed valuation of the historically significant real
5 property in the assessment year the preliminary certificate of
6 rehabilitation was issued as certified in subdivision (1)(c) of section

2 Sec. 19. Section 79-1007.18, Revised Statutes Cumulative Supplement,
3 2018, is amended to read:

4 79-1007.18 ~~(1) For school fiscal years prior to school fiscal year~~
5 ~~2017-18:~~

6 ~~(a) The department shall calculate an averaging adjustment for~~
7 ~~districts if the basic funding per formula student is less than the~~
8 ~~averaging adjustment threshold and the general fund levy for the school~~
9 ~~fiscal year immediately preceding the school fiscal year for which aid is~~
10 ~~being calculated was at least one dollar per one hundred dollars of~~
11 ~~taxable valuation. For the calculation of aid for school fiscal years~~
12 ~~prior to school fiscal year 2018-19, the general fund levy for school~~
13 ~~districts that are members of a learning community for purposes of this~~
14 ~~section includes both the common general fund levy and the school~~
15 ~~district general fund levy authorized pursuant to subdivisions (2)(b) and~~
16 ~~(2)(c) of section 77-3442. The averaging adjustment shall equal the~~
17 ~~district's formula students multiplied by the percentage specified in~~
18 ~~this subsection for such district of the difference between the averaging~~
19 ~~adjustment threshold minus such district's basic funding per formula~~
20 ~~student;~~

21 ~~(b) The averaging adjustment threshold shall equal the aggregate~~
22 ~~basic funding for all districts with nine hundred or more formula~~
23 ~~students divided by the aggregate formula students for all districts with~~
24 ~~nine hundred or more formula students for the school fiscal year for~~
25 ~~which aid is being calculated; and~~

26 ~~(c) The percentage to be used in the calculation of an averaging~~
27 ~~adjustment shall be based on the general fund levy for the school fiscal~~
28 ~~year immediately preceding the school fiscal year for which aid is being~~
29 ~~calculated and shall be as follows:~~

2 ~~(ii) If such levy was at least one dollar and one cent per one~~
3 ~~hundred dollars of taxable valuation but less than one dollar and two~~
4 ~~cents per one hundred dollars of taxable valuation, the percentage shall~~
5 ~~be sixty percent;~~

6 ~~(iii) If such levy was at least one dollar and two cents per one~~
7 ~~hundred dollars of taxable valuation but less than one dollar and three~~
8 ~~cents per one hundred dollars of taxable valuation, the percentage shall~~
9 ~~be seventy percent;~~

10 ~~(iv) If such levy was at least one dollar and three cents per one~~
11 ~~hundred dollars of taxable valuation but less than one dollar and four~~
12 ~~cents per one hundred dollars of taxable valuation, the percentage shall~~
13 ~~be eighty percent; and~~

14 ~~(v) If such levy was at least one dollar and four cents per one~~
15 ~~hundred dollars of taxable valuation, the percentage shall be ninety~~
16 ~~percent.~~

17 ~~(2) For school fiscal years year 2017-18 through 2019-20 and each~~
18 ~~school fiscal year thereafter, the department shall calculate an~~
19 ~~averaging adjustment for districts with at least nine hundred formula~~
20 ~~students if the basic funding per formula student is less than the~~
21 ~~averaging adjustment threshold. The averaging adjustment shall equal the~~
22 ~~district's formula students multiplied by ninety percent of the~~
23 ~~difference of the averaging adjustment threshold minus such district's~~
24 ~~basic funding per formula student. The averaging adjustment threshold~~
25 ~~shall equal the aggregate basic funding for all districts with nine~~
26 ~~hundred or more formula students divided by the aggregate formula~~
27 ~~students for all districts with nine hundred or more formula students for~~
28 ~~the school fiscal year for which aid is being calculated.~~

29 Sec. 20. Section 79-1009, Revised Statutes Cumulative Supplement,
30 2018, is amended to read:

31 79-1009 (1)(a) A district shall receive net option funding if (i)

1 option students as defined in section 79-233 were actually enrolled in
2 the school year immediately preceding the school year in which the aid is
3 to be paid, (ii) option students as defined in such section will be
4 enrolled in the school year in which the aid is to be paid as converted
5 contract option students, or (iii) for the calculation of aid for school
6 fiscal year 2017-18 for school districts that are members of a learning
7 community, open enrollment students were actually enrolled for school
8 year 2016-17 pursuant to section 79-2110.

9 (b) The determination of the net number of option students shall be
10 based on (i) the number of students enrolled in the district as option
11 students and the number of students residing in the district but enrolled
12 in another district as option students as of the day of the fall
13 membership count pursuant to section 79-528, for the school fiscal year
14 immediately preceding the school fiscal year in which aid is to be paid,
15 (ii) the number of option students that will be enrolled in the district
16 or enrolled in another district as converted contract option students for
17 the fiscal year in which the aid is to be paid, and (iii) for the
18 calculation of aid for school fiscal year 2017-18 for school districts
19 that are members of a learning community, the number of students enrolled
20 in the district as open enrollment students and the number of students
21 residing in the district but enrolled in another district as open
22 enrollment students as of the day of the fall membership count pursuant
23 to section 79-528 for school fiscal year 2016-17.

24 (c) Except as otherwise provided in this subsection, net number of
25 option students means the difference of the number of option students
26 enrolled in the district minus the number of students residing in the
27 district but enrolled in another district as option students. For
28 purposes of the calculation of aid for school fiscal year 2017-18 for
29 school districts that are members of a learning community, net number of
30 option students means the difference of the number of students residing
31 in another school district who are option students or open enrollment

1 students enrolled in the district minus the number of students residing
2 in the district but enrolled in another district as option students or
3 open enrollment students.

4 ~~(2)(a) For all school fiscal years except school fiscal years~~
5 ~~2017-18 and 2018-19, net option funding shall be the product of the net~~
6 ~~number of option students multiplied by the statewide average basic~~
7 ~~funding per formula student.~~

8 (2)(a) (b) For school fiscal years 2017-18 and 2018-19, net option
9 funding shall be the product of the net number of option students
10 multiplied by ninety-five and five-tenths percent of the statewide
11 average basic funding per formula student.

12 (b) For school fiscal year 2019-20 and 2020-21, net option funding
13 shall be the product of the net number of option students multiplied by
14 the statewide average basic funding per formula student.

15 (c) For school fiscal year 2021-22, net option funding shall be the
16 product of the net option students multiplied by eight thousand dollars.

17 (d) For school fiscal year 2022-23 and each school fiscal year
18 thereafter, net option funding shall be the product of the net number of
19 option students multiplied by the statewide average general fund property
20 taxes per formula student. The statewide average general fund property
21 taxes per formula student shall be calculated by dividing (i) the
22 aggregate receipts for all school districts for the most recently
23 available complete data year from general fund property tax levies, the
24 Property Tax Credit Cash Fund, homestead exemption reimbursements, and
25 personal property tax exemption reimbursements by (ii) the aggregate
26 formula students for all local systems for the school fiscal year for
27 which aid is being calculated.

28 (3) A district's net option funding shall be zero if the calculation
29 produces a negative result.

30 ~~Payments made under this section for school fiscal years prior to~~
31 ~~school fiscal year 2017-18 shall be made from the funds to be disbursed~~

1 ~~under section 79-1005.01.~~

2 Such payments shall go directly to the option school district but
3 shall count as a formula resource for the local system.

4 Sec. 21. Section 79-1015.01, Revised Statutes Cumulative Supplement,
5 2018, is amended to read:

6 79-1015.01 (1) Local system formula resources for each local system

16 less five cents; (b) for the final calculation of state aid pursuant to
17 section 79-1065, the local effort rate shall be the rate which, when
18 multiplied by the total adjusted valuation of all taxable property in
19 local systems receiving equalization aid pursuant to the Tax Equity and
20 Educational Opportunities Support Act, will produce the amount needed to
21 support the total formula need of such local systems when added to state
22 aid appropriated by the Legislature and other actual receipts of local
23 systems described in section 79-1018.01; and (c) the local effort rate

3 the Tax Equity and Educational Opportunities Support Act, will produce
4 the amount needed to support the total formula need of such local systems
5 when added to state aid appropriated by the Legislature and other actual
6 receipts of local systems described in section 79-1018.01; and (c) the
7 local effort rate yield for such school fiscal years shall be determined
8 by multiplying each local system's total adjusted valuation by the local
9 effort rate.

10 (4)(a) For school fiscal year 2023-24 and each school fiscal year
11 thereafter, for both state aid certified pursuant to section 79-1022 and
12 for the final calculation of state aid pursuant to section 79-1065, the
13 local formula contribution for each local system shall equal the lesser
14 of the local effort rate yield or the new growth yield.

15 (b) The local effort rate yield for each local system shall equal
16 the product of the local system's total adjusted valuation multiplied by
17 a local effort rate of one dollar per one hundred dollars of adjusted
18 valuation.

19 (c) The new growth yield for each local system shall equal:

20 (i) For school fiscal year 2023-24, the sum of (A) the local effort
