Bill Price who was operating his marked patrol unit failed to observe Trp. Eischeid stopped for the stop light and struck the rear of Trp. Eischeid's patrol unit.
	AUTOState005474	State of Nebraska	2/25/2019	947.40	Working football traffic, hit a snowbank causing damage to bumper
	AUTOState005479	State of Nebraska	2/28/2019	3,410.20	Trooper scraped side of vehicle on post in the terminal garage at Lincoln Airport.
	AUTOState005481	State of Nebraska	3/14/2019	921.40	On March 14, 2019 at approx. 1500 hours, Trooper Spellmeyer was turning the marked patrol unit/truck around in a parking lot in Alliance, NE when the unit slid approx. 1 foot on ice and collided with a parked Jeep Wrangler. The collision caused minimal damage to both vehicles. The damage consisted of a small crack to an after-market piece of the after-market bumper to the Jeep and on the Patrol unit/truck, cracked the left rear taillight and a small dent to the left rear quarter panel.
	AUTOState005483	State of Nebraska	3/8/2019	2,596.25	Driving to a call in heavy fog and slick roads. missed the turn in the road and struck a delineator post,
	AUTOState005486	State of Nebraska	3/16/2019	21,039.95	<p>Today while working flooded area near highway 64, I observed Yutan Fire and Resuce with a load of seven stranded motorist from highway 64. They advised more people were near Ginger Grove and they proceeded to drop their parties off. I went to Ginger Grove and observed no people in the area except locals who were secure and in no danger. At this time I was advised by Trp. Mallory that there were parties potential stuck in Blue Water area, east of my location. I proceeded in that direction and drove through water that was about mid tire in depth. I entered Blue Water area and Trp. Wilkie was behind me. We started searching for parties but did not find any. At this time drive through water that was about the height of the bottom portion of my door. This was non rushing water in a residential area.</p> <p>As I left, driving through the same area/water depth I came through, my truck stalled in the water and died. I was not able to get it to start again. Trp. Wilkie pulled my truck to a house that was under construction and left it there. Trp. Wilkie and I left the area with our K9's. As we left we saw Yutan fire and resuce near the highway 64 bridge. Trp. Wilkie transported my K9 to the Lincoln office kennels. I proceeded back to my truck with Yutan Fire and Resuce and they assisted with pulling my truck the rest of the way back to highway 64 were a tow service (L&L towing) was called. L&L towing took my truck to LPD garage. LPD garage discovered there was a bent cam or shaft of same nature. They advised it would need a new engine.</p>
	AUTOState005503	State of Nebraska	3/21/2019	2,670.00	While traveling to a vehicle crash on HWY 88, a pheasant flew out in front of the responding vehicle and collided with the right front area causing approximately \$2500.00 damage.

	AUTOState005506	State of Nebraska	3/25/2019	640.50	On March 26, 2019, Trp. Sean Wilson reported that while shutting the trunk to his issued Dodge Charger (VIN #2C3CDXAT0GH219053), he discovered that plastic pieces that surround the rear lights, had fallen apart. Baxter Dodge in Lincoln reported the repair would cost \$984. Trp. Wilson had the NSP vehicle installation division make the repair with existing parts. NSP might submit a PO to replace the part used in the repair.
	AUTOState005511	State of Nebraska	3/28/2019	1,538.78	I was driving a state patrol vehicle when a coyote ran into the road from the north side of Hwy 275. I had just entered Antelope County, looked in my rear-view mirror at the vehicle behind me. When I looked back at the road, I saw the coyote enter the other lane in my direction. I attempted to slow down but he was already in my lane.
	AUTOState005514	State of Nebraska	4/2/2019	2,951.04	I was traveling to O'Neill on highway 20, near milepost 323, when I struck a raccoon with the front bumper of my patrol car.
	AUTOState005517	State of Nebraska	4/3/2019	8,375.00	Trooper responding to a call ran off of roadway at a T intersection into a field.
	AUTOState005529	State of Nebraska	4/19/2019	2,037.25	While pulling into a location to conduct enforcement activities my car got stuck in the mud. Another trooper pushed my car out the the mud and we caused a small dent on the trunk and a small crack in the top of the rear bumper.
	AUTOState005531	State of Nebraska	4/14/2019	2,075.00	Vehicle was driving west on Hwy 26 and turned south onto Holloway Road. While driving, vehicle experienced standing water and ruts in roadway causing the bracket for the left front fender to be bent/broken. A few days later when responding to a call, the fender was bent as the bracket broke, when the driver exited.
	AUTOState005532	State of Nebraska	4/17/2019	5,419.50	Patrol unit parked on side of highway on traffic stop when it sustained hail damage from a fast moving thunderstorm.
	AUTOState005540	State of Nebraska	4/27/2019	23,910.99	Two vehicle accident at the intersection of Hwy 6/31 and Bryan Cir, in Gretna, NE. Vehicle #1 was a 2016 Dodge charger, a marked State Patrol unit being operated as part of normal traffic duties. Vehicle #2 was a black Toyota 4 Runner. Vehicle #1 was on Bryan Circle waiting to turn left to proceed south on Hwy 6/31. There was a third vehicle approaching the intersection slowing to turn right onto Bryan circle. Vehicle #1 started to make the left turn and did not see vehicle #2 traveling North on Hwy 6/31 in the left lane. Vehicle #1 and vehicle #2 collided causing damage to the front end of vehicle #1 and the right side of vehicle #2.
	AUTOState005545	State of Nebraska	4/24/2019	1,674.50	On April 24, 2019, damage was discovered on the left front wheel well of this patrol vehicle. Unknown when or where the damage occurred
	AUTOState005546	State of Nebraska	5/5/2019	6,611.85	Patrol unit #06345 was damaged by debris during a thunderstorm while parked near 1819 SW 37th Street, Lincoln. The damage was mostly to the hood and right side.
	AUTOState005563	State of Nebraska	4/20/2019	1,010.00	On 4/20/2019, Trooper Gaudreault was on duty, operating a marked patrol unit, and in pursuit of a vehicle that was failing to yield to his emergency lights and sirens. As Trooper Gaudreault approached the location of the tire deflation devices, the suspect vehicle ran over the spikes. The spikes became entangled with each other and were not cleared from the roadway when Trooper Gaudreault also then struck the spikes, a marker 299 I-80 east bound, at approximately 0059 hours. Trooper Gaudreault continued to pursue the suspect vehicle until the suspect vehicle came to a stop near mile marker 302 I-80 eastbound. Trooper Gaudreault's patrol unit sustained three tires that were deflated and shredded. The patrol unit was towed to the Nebraska State Patrol office in Kearney until it could be towed to Gram Tire

	AUTOState005564	State of Nebraska	5/18/2019	1,479.60	On normal patrol I was checking on the closed section of Highway 30 west of Arlington. I was traveling at a low rate of speed and attempted to make contact with a vehicle that was operating within the closed off section of highway. Before coming to a stop my vehicle slid on the mud coverage asphalt roadway. The right front corner of the patrol unit struck the buck of an unoccupied front loader that was parked across the road.
	AUTOState005565	State of Nebraska	2/20/2019	1,094.58	When Trooper Mann was issued the unit there was a small crack in the rear bumper. Over time that crack has increased in size until it is affecting the integrity of the rear bumper.
	AUTOState005570	State of Nebraska	5/19/2019	926.00	PATROL VEHICLE STRUCK A PHEASANT
	AUTOState005573	State of Nebraska	5/16/2019	4,947.75	Trp. Klimek was traveling on Pflug road when a deer ran out in front of him. There was no time to stop and Klimek struck the deer.
	AUTOState005585	State of Nebraska	5/26/2019	2,537.00	On may 26th, 2019, Vehicle 1, a 2011 for Crown Vic Nebraska State Patrol Unit, was being driven by Trooper K. Gaudreault. Vehicle 1 was backing out of the Keith County Jail sally port area after completion of an arrest at approximately 1908 hour and failed to identify an I-beam support pole next to the unit. Vehicle 1 began to back out and then turn until vehicle 1 struck the I-beam support pole with the front left of the vehicle causing minor damage to the bumper, quarter panel, and side headlight of the vehicle. Vehicle 1 was able to be driven away from the scene.
	AUTOState005586	State of Nebraska	5/23/2019	3,522.00	Patrol unit was parked in front of residence while Trp. Suchsland was off duty. Patrol vehicle sustained hail damage during thunder storm.
	AUTOState005588	State of Nebraska	5/27/2019	6,245.00	Hail storm with significant damage to patrol unit.
	AUTOState005589	State of Nebraska	6/1/2019	7,021.37	On 6-1-2019 at approximately 1000 hours Trp. Davis was traveling west bound at MM 302 on I-80. Trp. Davis median dived at that location attempting to chase down a speeder. At that time Trp. Davis ran over a newly place culvert on the north side of the median. As a result, Trp. Davis's unit suffered damage to the front driver side "A" frame of the suspension and the driver's side fender where when the suspension broke the tire pushed into the fender. Trp. Davis was unable to see the culvert prior to diving due to the grass in the median and since it was recently put in there was not any markers where the culvert was at.
	AUTOState005590	State of Nebraska	5/31/2019	690.10	Trp. E. Janssen #78 was traveling westbound on US-136, near mile marker 170, when several deer crossed the road north to south. Trp. Janssen braked and steered to avoid the deer, but was impacted by one deer causing minor damage.
	AUTOState005594	State of Nebraska	5/27/2019	12,158.00	Hail damage
	AUTOState005598	State of Nebraska	5/28/2019	2,324.00	Hail damage to unit.
	AUTOState005600	Nebraska State Patrol	6/4/2019	1,202.60	Bryan Walter was traveling on Highway 275, near milepost 24, when a deer came out from the ditch and struck his patrol car. The deer caused damage to the right front quarter panel and smashed the windshield of the car.
	AUTOState005604	State of Nebraska	6/6/2019	7,219.10	Sgt. Boston was on duty patrolling on highway 183 near mile post 119 in Custer County and struck a deer.

	AUTOState005825	State of Nebraska	9/19/2019	1,399.20	Vehicle was parked in a private driveway. A strong thunderstorm with 60+ mph winds came through the area. A basketball hoop blew over and hit the vehicle.

	AUTOState005837	State of Nebraska	10/19/2019	5,453.54	Trp Strode was operating his marked state patrol unit in a law enforcement capacity. Trp Strode was perusing a stolen motor vehicle when the suspect slammed on the brakes causing vehicles to contact causing front end damage to state vehicle.
	AUTOState005843	State of Nebraska	10/24/2019	6,935.00	Trooper was involved in a short pursuit. Suspect vehicle then stopped, backed up and rammed the trooper's patrol unit. Trooper then exited the patrol unit and the suspect began backing up again. Suspect vehicle then pushed the patrol unit back wards until it collided with a building. Suspect vehicle then went onto the hood of the patrol unit and became high centered.
	AUTOState005849	State of Nebraska	7/24/2019	960.22	Crossed over median and hit, what was believed to be a small piece of insulation, it caught the wheel well and tore the inner liner and wheel trim liner off.
	AUTOState005850	State of Nebraska	10/22/2019	6,035.90	Trooper in pursuit of a stolen vehicle. Trooper performed a Tactical Vehicle Intervention (TVI) causing damage to the front of the marked patrol unit.
	AUTOState005852	State of Nebraska	11/1/2019	1,930.59	I was driving west on Hwy 34 at the bridge and curve on the Hall Hamilton county line. As I was coming around the curve just east of the Platte river bridge there was a cone just to the right of white line that was tipped over on its side. I was on the white line coming around the curve and struck the tipped over cone. I did not stop right away as I did not think there was damage. After straightening my wheels I heard some rubbing from the front. I stopped and noticed that the inner fender well had popped loose and that the bumper was pushed in a little and the corner had broken off.
	AUTOState005862	State of Nebraska	9/30/2019	4,605.44	Vehicle was parked at residence. Hail Storm occurred with Golf Ball to Ping Pong Ball sized hail stones. Vehicle received damage due to storm. Delay in submitting online due to recent change of process and redoing of required forms.
	AUTOState005871	State of Nebraska	11/18/2019	5,937.45	TVI to stop pursuit
