MESSAGE FROM LEADERSHIP

As the public and private funds of the Nebraska Cultural Endowment grow, so too does the strength and vitality of Nebraska. Indeed, the arts and humanities impact education, sense of place, quality of life and economic development through a wide variety of factors. It is thanks to the State of Nebraska, our donors and partners, and the exceptional leadership of the Nebraska Arts Council and Humanities Nebraska, that we now hold over \$21 million between the public and private funds.

While maintaining the principal of these funds, the Nebraska Cultural Endowment has distributed over \$12

million since its inception and nearly \$900,000 in 2018. This nationally-unique funding stream accounts for about one-third of the annual program support that communities receive from the Nebraska Arts Council and Humanities Nebraska.

Together, we ensure that all Nebraskans, both today and for future generations, have access to the arts and humanities, regardless of where they live or any other factor.
