Re: Nebraska Energy Statistics

The Nebraska Energy Office is pleased to provide the website address for the statistical handbook entitled Nebraska Energy Statistics. The statistical handbook represents the collection, compilation, and analysis of energy statistics and information as required under Neb. Rev. Stat. §81-1606. The statistical handbook is available at <http://www.neo.ne.gov/statshtml/index3c.html>.

It is my understanding that since 2008 the website address has been sufficient to meet the filing requirement.

If you have any questions, please contact Doris Jansky, Statistical Analyst, at 402-471-3538 or [doris.jansky@nebraska.gov](mailto:doris.jansky@nebraska.gov).

Sincerely,

A handwritten signature in blue ink, appearing to read "Jim Macy".

Jim Macy  
Interim Director
