Re: Neb. Rev. Stat. § 4-113 Annual Report

Dear Governor Ricketts and Mr. O'Donnell:

Please accept this letter as the Nebraska Public Service Commission's report on Public Benefit Verification Compliance for January 1, 2018 through December 31, 2018, pursuant to Sec. 6 of LB 403, 2009 Legislature, codified as Neb. Rev. Stat. § 4-113.

The Commission administers two programs which require status verifications through E-Verify: the Nebraska Telephone Assistance Program (NTAP), which assists qualifying low-income individuals with obtaining and retaining telephone service by lowering monthly service and connection costs; and the Nebraska Specialized Telecommunications Equipment Program (NSTEP), which enables qualified deaf, hard-of-hearing and/or speech impaired citizens to obtain specialized telecommunications equipment at no cost.

The Commission received 6,154 NTAP applications, of which 55 required verification of lawful presence. In addition, the Commission received 740 NSTEP applications, three of which required verification of lawful presence. No applications were denied by either program due to the restrictions outlined in LB 403.
