Re: Neb. Rev. Stat. § 4-113 Annual Report

Dear Governor Ricketts and Mr. O'Donnell:

Please accept this letter as the Nebraska Public Service Commission's report on Public Benefit Verification Compliance for January 1, 2019 through December 31, 2019, pursuant to Sec. 6 of LB 403, 2009 Legislature, codified as Neb. Rev. Stat. § 4-113.

The Commission administers two programs which require status verifications through E-Verify: the Nebraska Telephone Assistance Program (NTAP), which assists qualifying low-income individuals with obtaining and retaining telephone service by lowering monthly service and connection costs; and the Nebraska Specialized Telecommunications Equipment Program (NSTEP), which enables qualified deaf, hard-of-hearing and/or speech impaired citizens to obtain specialized telecommunications equipment at no cost.

The Commission received 3,673 NTAP applications, of which **41** required verification of lawful presence. In addition, the Commission received 682 NSTEP applications, **seven (7)** of which required verification of lawful presence. No applications were denied by either program due to the restrictions outlined in LB 403.
