## Nebraska Advantage Programs

The Nebraska Advantage Act, the Nebraska Advantage Rural Development Act, and the Nebraska Advantage Microenterprise Tax Credit Act require a taxpayer to file an application to describe a project and to request participation in the incentive program. The applications and application guides include the requirement that the work eligibility of all newly-hired employees in Nebraska must be verified. For applications filed on or after October 1, 2009, the taxpayer is required to provide proof of registration for E-Verify, the federal electronic verification program. In some cases, the application date was delayed until the applicant documented the registration process.

The utilization of the E-Verify program for new employees is verified for qualified projects with an application date on or after October 1, 2009. DOR audits compliance with E-Verify requirements and the eligibility of the newly-hired Nebraska employees when each project attains the minimum required levels of investment and employment necessary for benefits. In the qualification audits, the audit testing confirms that no benefits are allowed for employees that were not properly verified. Corrections are made for subsequent years for employees which were not properly verified. The results for 2019 are as follows:

<b>Nebraska Advantage Applications</b> Received January 1, 2019 through December 31, 2019		
	Applications Received	Applications Rejected Due to E-Verify
Nebraska Advantage Act	65	0
Nebraska Advantage Rural Development Act	16	0
Nebraska Advantage Microenterprise Tax Credit Act	78	0

DOR's website notifies taxpayers planning to claim the Nebraska Advantage Research and Development Credit of the requirement to use E-Verify to confirm the work eligibility of all newly-hired employees employed in Nebraska.

The Research Tax Credit Worksheet, Form 3800N, Worksheet RD, includes several questions asking claimants to confirm they are using E-Verify for newly-hired employees. Utilization of the E-Verify program for new employees is not confirmed at the time the return is processed. DOR audits for compliance after returns claiming the credit have been processed.

<b>Nebraska Advantage Research &amp; Development Act</b> <b>Returns Processed</b> January 1, 2019 through December 31, 2019		
	Returns Processed	Claims for Credit Disallowed Due to E-Verify
