Dear Mr. O'Donnell,

Nebraska Statute 83-4,134.01 requires Nebraska's juvenile facilities to report quarterly to the Legislature within two weeks after the end of each quarter, information regarding the use of room confinement in Nebraska's juvenile facilities.

Attached, please find a letter certifying that the Whitehall Psychiatric Residential Treatment Facility and the Hastings Juvenile Chemical Dependency Program did not utilize room confinement for the first quarter of fiscal year 2020/2021.

The Youth Rehabilitation and Treatment Center-Geneva (YRTC-G), has also re-opened as a re-entry program for female youth. Youth were admitted to this facility on February 18, 2020. The YRTC-G has not utilized room confinement for any youth during the first quarter of fiscal year 2020/2021. A letter is attached certifying that no confinement was used during this timeframe.

Also attached is the room confinement usage data for both the Youth Rehabilitation and Treatment Center at Kearney and the DHHS Office of Juvenile Services (DHHS OJS) Lincoln facility for the first quarter of fiscal year 2020/2021. DHHS, through the restructuring of the YRTC system, has now established the DHHS OJS Lincoln Facility. Youth were admitted to this facility on February 18, 2020.

The Youth Rehabilitation and Treatment Center system continues to use room confinement as a behavioral management tool for the high risk youth in our care. Efforts are continually being made to ensure that youth are only in confinement for the shortest amount of time possible to ensure their safety and the safety of the other youth and staff around them.

Sincerely,

Mr. O'Donnell,

Nebraska Statute 83-4,134.01 requires Nebraska's juvenile facilities to report quarterly to the Legislature and the Office of the Inspector General within two weeks after the end of each quarter, information regarding the use of room confinement in Nebraska's juvenile facilities.

The Youth Rehabilitation and Treatment Center (YRTC) - Geneva has re-opened as a re-entry program for female youth who will be returning to the community and have met their treatment goals at the main YRTC-Kearney campus. The YRTC-Geneva has not utilized room confinement during the first quarter of fiscal year 2020/2021, encompassing the time frame from July 1, 2020 to September 30, 2020.

Mr. O'Donnell,

Nebraska Statute 83-4,134.01 requires Nebraska's juvenile facilities to report quarterly to the Legislature and the Office of the Inspector General within two weeks after the end of each quarter, information regarding the use of room confinement in Nebraska's juvenile facilities.

As you are aware, the Hastings Juvenile Chemical Dependency Program and the Whitehall Psychiatric Residential Treatment Facility do not use room confinement for any juvenile in our care.

Respectfully, the Hastings Juvenile Chemical Dependency Program submits the following information for usage of room confinement for the first quarter of fiscal year 2020/2021.

- July 1, 2020 to September 30, 2020: No room confinement was used.

The Whitehall Psychiatric Residential Treatment Facility submits the following information for usage of room confinement for the first quarter of fiscal year 2020/2021.

- A July 1, 2020 to September 30, 2020: No room confinement was used.

While the child care license in which the Hastings Juvenile Chemical Dependency Program and the Whitehall Psychiatric Treatment Facility is authorized to provide services allows for the use of room confinement, both facilities have elected to not use this as an option for behavioral management for our youth and as such does not allow this practice in our policies or procedures. The facility staff have elected and will continue to use behavioral management techniques with youth that aid in their de-escalation without the use of room confinement but still provide the safest environment for our youth and staff.

Sincerely,

Mark LaBouchardiere
