LB 142 changes provisions related to driving-automation-system-equipped vehicles. The bill provides that the Department of Motor Vehicles (DMV) may issue guidance on the operation of these vehicles and may adopt and promulgate rules and regulations to carry out the provisions of the bill.

DMV indicates the bill will have no fiscal impact for the department. If guidance or rules are promulgated pursuant to the bill, the agency will be able to handle the workload increase and rules expenses with existing budgetary resources.
