LB 461, as amended, changes provisions related to regulatory powers and duties of the Public Service Commission (PSC).

Section 8 requires the PSC to issue licenses to movers of household goods prior to transporting such goods in intrastate commerce.

Section 9 requires that motor carriers operating in this state engaged in the intrastate transportation for hire of employees of a railroad carrier engaged in interstate commerce to or from their work locations to apply to the PSC for a license prior to such transportation.

The PSC estimates no fiscal impact. That assessment appears to be reasonable.
