This bill would adopt the Counterfeit Airbag Prevention Act. A person would violate the Act by engaging in various acts as set out in the bill. The bill imposes a variety of felony penalties for violating the Act, and for violating the Act if it results in bodily injury or death.

The Supreme Court estimates no fiscal impact from this bill.

The Board of Parole estimates no significant impact from this bill.

If the impact of this bill is to increase the inmate prison population by more than current law, NDCS could incur additional per diem costs. This is the cost for food, medical care, inmate wages, clothing, cleaning supplies, food service supplies, cell and dorm supplies, other inmate related supplies, laundry, inmate property, miscellaneous contractual services, and inmate transportation. The FY18 per diem cost for an individual inmate was \$8,226 per year, which includes NDCS inmates in county jails.

If the impact of this bill is to increase the inmate prison population by more than current law, then this bill could increase the inmate prison population. As of July-September 2018, the prison population was 156% of design capacity. Additionally, the Department of Correctional Services contracts with some counties to temporarily house prison inmates. If those inmates are included in the prison population numbers, then the prison population would be 158% of design capacity.

For informational purposes, NDCS estimates the cost per offender (All facilities including Parole) at \$31,271 for FY16. This cost represents an average cost of all General, Cash, and Federal expenditures excluding aid, depreciation, and Capital Construction expenditures.

Any fines assessed pursuant to convictions will accrue to the county where the violation occurs to be used for the support of public schools. This amount is not known at this time.

The bill also outright repeals section 28-635 (Motor vehicle; inflatable restraint system; prohibited acts; penalty). The penalty for this section is a Class I misdemeanor (Maximum — not more than one year imprisonment, or one thousand dollars fine, or both; Minimum — none). Repealing this section could reduce persons sentenced to county jails because misdemeanor sentences are generally served in county jails if jail time is imposed. This could result in a possible savings to counties.
