This bill creates the fourteen-member Commission on African American Affairs. The purpose of the commission would be to enhance the cause of African American rights and to develop solutions to problems common to all Nebraska African Americans. The commission would meet at least quarterly. Commissioners would receive a per diem of \$50 for each day spent in performance of their duties.

Modeling the Commission on African-American Affairs after the two similar commissions – the Commission on Indian Affairs and the Commission on Latino-Americans, the cost would be \$127,500 in FY 2021 and \$255,000 in FY 2022 which includes funding for three staff including an executive director.
