- 1 A BILL FOR AN ACT relating to public records; to amend sections 84-712.01
- 2 and 84-712.07, Reissue Revised Statutes of Nebraska, and section
- 3 84-712.05, Revised Statutes Supplement, 2019; to change provisions
- 4 relating to access to public records; and to repeal the original
- 5 sections.
- 6 Be it enacted by the people of the State of Nebraska,

1 Section 1. Section 84-712.01, Reissue Revised Statutes of Nebraska,
2 is amended to read:

3 84-712.01 (1) Except when any other statute expressly provides that
4 particular information or records shall not be made public, public
5 records shall include all records and documents, regardless of physical
6 form, of or belonging to this state, any county, city, village, political
7 subdivision, or tax-supported district in this state, or any agency,
8 branch, department, board, bureau, commission, council, subunit, or
9 committee of any of the foregoing. Data which is a public record in its
10 original form shall remain a public record when maintained in computer
11 files regardless of the form in which it is stored.

12 (2) When a custodian of a public record of a county provides to a
13 member of the public, upon request, a copy of the public record by
14 transmitting it from a modem to an outside modem, a reasonable fee may be
15 charged for such specialized service. Such fee may include a reasonable
16 amount representing a portion of the amortization of the cost of computer
17 equipment, including software, necessarily added in order to provide such
18 specialized service. This subsection shall not be construed to require a
19 governmental entity to acquire computer capability to generate public
20 records in a new or different form when that new form would require
21 additional computer equipment or software not already possessed by the
22 governmental entity.

23 (3) Sections 84-712 to 84-712.03 shall be liberally construed
24 whenever any state, county, or political subdivision fiscal records,
25 audit, warrant, voucher, invoice, purchase order, requisition, payroll,
26 check, receipt, or other record of receipt, cash, or expenditure
27 involving public funds is involved in order that the citizens and
28 residents of this state shall have the full right to know of and have
29 full access to information on the public finances of the government and
30 the public bodies and entities created to serve them.

31 Sec. 2. Section 84-712.05, Revised Statutes Supplement, 2019, is
