22 names placed on the official and sample general election ballots shall be
23 the names of candidates nominated in the primary election, the names of
24 petition candidates if any, the names of automatically nominated
25 candidates as provided in section 32-811, and the names of candidates
26 filing as provided in subsection (2) of section 32-606. The names of the
27 candidates shall be placed under the proper titles.

28 (2) The election commissioner or county clerk shall place on the
29 official general election ballot in each office division no more than
30 twice as many names as there are places to be filled at the general
31 election unless more than one candidate has successfully petitioned on

1 the ballot to fill a vacancy after the primary election. The names of the
2 nonpartisan candidates and candidates nominated without a political party
3 designation pursuant to section 2 of this act who received the highest
4 number of votes for the office for which they were candidates in the

8 the names of the two persons who received the highest number of votes in
9 the primary election for the position for which they were candidates.

10 (3) When the name of a person is written in and voted for as a
11 candidate for an office for which he or she did not file in the primary
12 election, such person shall not be entitled to a certificate of
13 nomination at the primary election and shall not have his or her name
14 placed on the general election ballot unless he or she (a) receives at
15 least five percent of the total vote cast for Governor or for President
16 of the United States at the immediately preceding general election in the
17 political subdivision from which nominees for such position are to be
18 chosen, (b) is one of the candidates receiving the number of votes

22 the election commissioner or county clerk shall rotate the names of the
23 nonpartisan candidates and candidates nominated without a political party
24 designation pursuant to section 2 of this act on the official general
25 election ballot. The election commissioner or county clerk shall follow
26 the order of precincts or wards as set out in the official abstract book
27 on file in his or her office in preparing the official ballots. The first

7 shall be first after the change.

8 Sec. 20. Section 32-815, Reissue Revised Statutes of Nebraska, is
9 amended to read:

10 32-815 (1) The names of candidates for each partisan elective office
11 shall be arranged on the ballot of the general election so that the
12 political party polling the highest number of votes at the last general
13 election for Governor will have the name of its nominee immediately
14 beneath the name of the office for which the candidate was nominated, the
15 political party polling the second highest number of votes will have the
16 second place, the political party having the third highest number of
17 votes will have the third place, and continuing with the political
18 parties in descending order of number of votes, leaving those candidates
19 whose names appear upon the ballot by petition to appear beneath all
20 other candidates placed there by nomination. For each office for which
21 there are more candidates than vacancies and there are two or more
22 nominees of the same political party, the election commissioner or county
23 clerk shall rotate the names of such candidates on the official ballot.
24 In printing the ballots for the various election districts, the positions
25 of the names shall be changed in each office division for each election
26 district. In making the change of position, the printer shall take the
27 line of type at the head of each division and place it at the bottom of
28 that division, shoving up the column so that the name that was second
29 shall be first after the change.

30 (2) The name of the person receiving the highest number of votes at
31 a primary election as the candidate of a political party for an office

1 shall be placed on the official ballot except as otherwise provided in
2 the Election Act. Except as provided in section 32-811 for automatically
3 nominated candidates, no person shall be certified as a candidate of any
4 political party for such office by the Secretary of State, election
5 commissioner, or county clerk unless the person receives a number of
6 votes at least equal to five percent of the total ballots cast at the
7 primary election by registered voters affiliated with that political
8 party in the district which the office serves and meets the requirements
9 for the office.

10 (3) This section does not apply to candidates nominated without a
11 political party designation pursuant to section 2 of this act.

18 in capital and lowercase letters next to the name and the name of the
19 party represented by a candidate without a political party designation
20 pursuant to section 2 of this act shall be printed in capital and
21 lowercase letters next to the name. Proposals submitted by initiative or
22 referendum or for constitutional amendments shall be printed in capital
23 and lowercase letters, but the title heading and number thereof shall be
24 in boldface type, and the square or oval for voting thereon shall be
25 printed opposite the text so that it is clear for which issue the voter
26 is casting a vote. Ballots shall be printed with substantially the same
27 appearance, including type and form, as the sample ballot furnished by
28 the Secretary of State.
