8 project, including the power to issue bonds and make loans to an eligible  
9 institution to refinance indebtedness incurred or to reimburse advances  
10 made for projects undertaken prior thereto whenever the authority has  
11 received a written letter of intent to underwrite, place, or purchase the  
12 bonds from a financial institution having the powers of an investment  
13 bank, commercial bank, or trust company and finds that such financing or  
14 refinancing is in the public interest, and either: (1) Alleviates a  
15 financial hardship upon the eligible institution; (2) results in a lesser  
16 cost of education, health care services, cultural services, or social  
17 services; or (3) enables the eligible institution to offer greater  
18 security for a loan or loans to finance a new project or projects or to

31 Social Services Finance Authority Act.

1 In carrying out the purposes of the act, the authority may undertake  
2 a project for two or more eligible institutions jointly, or for any

7 2018, is amended to read:

8 58-837 Notwithstanding any other provision contained in the Nebraska  
9 Educational, Health, Cultural, and Social Services Finance Authority Act,  
10 the authority may combine for financing purposes, with the consent of all  
11 of the eligible institutions which are involved, the project or projects  
12 and some or all future projects of any eligible institutions, but the  
13 money set aside in any fund or funds pledged for any series or issue of  
14 bonds shall be held for the sole benefit of such series or issue separate  
15 and apart from any money pledged for any other series or issue of bonds  
16 of the authority. To facilitate the combining of projects, bonds may be  
17 issued in series under one or more resolutions or trust indentures and be  
18 fully open end, thus providing for the unlimited issuance of additional  
19 series, or partially open end, limited as to additional series, all in  
20 the discretion of the authority. Notwithstanding any other provision of  
21 the act to the contrary, the authority may, in its discretion, permit an  
22 eligible institution to substitute one or more projects of equal value,  
23 as determined by an independent appraiser satisfactory to the authority,  
24 for any project financed under the act on such terms and subject to such  
25 conditions as the authority may prescribe.

28 58-838 All expenses incurred in carrying out the Nebraska  
29 Educational, Health, Cultural, and Social Services Finance Authority Act  
30 shall be payable solely from funds provided under the act, and no  
31 liability or obligation shall be incurred by the authority beyond the

1 extent to which money has been provided under the act.

2 Sec. 22. Section 58-841, Revised Statutes Cumulative Supplement,  
3 2018, is amended to read:

4 58-841 The authority is hereby authorized to provide by resolution,  
5 at one time or from time to time, for the issuance of bonds for the  
6 purpose of (1) paying, refinancing, or reimbursing all or any part of the  
7 cost of a project, (2) administering and operating the Nebraska Health  
8 Education Assistance Loan Program and the Nebraska Student Loan  
9 Assistance Program, or (3) making loans to any eligible institution in  
10 anticipation of the receipt of tuition or other revenue by the eligible  
11 institution. Except to the extent payable from payments to be made on  
12 securities or federally guaranteed securities as provided in sections  
13 58-844 and 58-845, the principal of and the interest on such bonds shall  
14 be payable solely out of the revenue of the authority derived from the  
15 project or program to which they relate and from any other facilities or  
16 assets pledged or made available therefor by the eligible institution for  
17 whose benefit such bonds were issued. The bonds of each issue shall be  
18 dated, shall bear interest at such rate or rates, including variations of  
19 such rates, without regard to any limit contained in any other statute or  
20 law of the State of Nebraska, shall mature at such time or times not  
21 exceeding forty years from the date thereof, all as may be determined by  
22 the authority, and may be made redeemable before maturity, at the option  
23 of the authority, at such price or prices, which may be at a premium or  
24 discount, and under such terms and conditions as may be fixed by the  
25 authority in the authorizing resolution and any trust indenture. Except  
26 to the extent required by the Nebraska Educational, Health, Cultural, and  
27 Social Services Finance Authority Act and for bonds issued to fund the  
28 Nebraska Student Loan Assistance Program, such bonds are to be paid out  
29 of the revenue of the project to which they relate and, in certain  
30 instances, the revenue of certain other facilities, and subject to the  
31 provisions of sections 58-844 and 58-845 with respect to a pledge of

1 securities or government securities, the bonds may be unsecured or  
2 secured in the manner and to the extent determined by the authority in  
3 its discretion.

4 The authority shall determine the form of the bonds, including any  
5 interest coupons to be attached thereto, and shall fix the denomination  
6 or denominations of the bonds and the place or places of payment of  
7 principal and interest which may be at any bank or trust company within  
8 or without the state. The bonds shall be signed in the name of the  
9 authority, by its chairperson or vice-chairperson or by a facsimile  
10 signature of such person, the official seal of the authority or a  
11 facsimile thereof shall be affixed thereto or printed or impressed  
12 thereon and attested by the manual or facsimile signature of the  
13 executive director or assistant executive director of the authority,  
14 except that facsimile signatures of members of the authority shall be  
15 sufficient only if the resolution or trust indenture requires that the  
16 trustee for such bond issue manually authenticate each bond and the  
17 resolution or trust indenture permits the use of facsimile signatures,  
18 and any coupons attached to the bonds shall bear the facsimile signature  
19 of the executive director or assistant executive director of the  
20 authority. The resolution or trust indenture authorizing the bonds may  
21 provide that the bonds contain a recital that they are issued under the  
22 Nebraska Educational, Health, Cultural, and Social Services Finance  
23 Authority Act, and such recital shall be deemed conclusive evidence of  
24 the validity of the bonds and the regularity of the issuance. The  
25 provisions of section 10-126 shall not apply to bonds issued by the  
26 authority. The provisions of section 10-140 shall apply to bonds issued  
27 by the authority. In case any official of the authority whose signature  
28 or a facsimile of whose signature appears on any bonds or coupons ceases  
29 to be such an official before the delivery of such bonds, such signature  
30 or such facsimile shall nevertheless be valid and sufficient for all  
31 purposes the same as if he or she had remained an official of the

1 authority until such delivery.

2 All bonds issued under the act shall have and are hereby declared to  
3 have all the qualities and incidents of negotiable instruments under the  
4 law of the State of Nebraska. The bonds may be issued in coupon or in  
5 registered form, or both, and one form may be exchangeable for the other  
6 in such manner as the authority may determine. Provision may be made for  
7 the registration of any coupon bonds as to principal alone and also as to  
8 both principal and interest and for the reconversion into coupon bonds of  
9 any bonds registered as to both principal and interest. The bonds may be  
10 sold in such manner, either at public or private sale, as the authority  
11 may determine.

12 The proceeds of the bonds of each issue shall be used solely for the  
13 payment of the costs of the project or program for which such bonds have  
14 been issued and shall be disbursed in such manner and under such  
15 restrictions, if any, as the authority may provide in the resolution  
16 authorizing the issuance of such bonds or in the trust indenture provided  
17 for in section 58-843 securing the same. If the proceeds of the bonds of  
18 any issue, by error of estimates or otherwise, are less than such costs,  
19 additional bonds may in like manner be issued to provide the amount of  
20 such deficit and, unless otherwise provided in the resolution authorizing  
21 the issuance of such bonds or in the trust indenture securing the same,  
22 shall be deemed to be of the same issue and shall be entitled to payment  
23 from the same fund without preference or priority of the bonds first  
24 issued. If the proceeds of the bonds of any issue exceed the cost of the  
25 project or program for which they were issued, the surplus shall be  
26 deposited to the credit of the sinking fund for such bonds or shall be  
27 applied as may otherwise be permitted by applicable federal income tax  
28 laws relating to the tax exemption of interest.

29 Prior to the preparation of definitive bonds, the authority may  
30 under like restrictions issue interim receipts or temporary bonds, with  
31 or without coupons, exchangeable for definitive bonds when such bonds

1 have been executed and are available for delivery.

2 The authority may also provide for the replacement of any bonds  
3 which become mutilated or are destroyed or lost. Bonds may be issued  
4 under the act without obtaining the consent of any officer, department,  
5 division, commission, board, bureau, or agency of the state and without  
6 any other proceedings or conditions other than those proceedings and  
7 conditions which are specifically required by the act. The authority may  
8 out of any funds available therefor purchase its bonds. The authority may  
9 hold, pledge, cancel, or resell such bonds, subject to and in accordance  
10 with any agreement with the bondholders.

11 Members of the authority shall not be liable to the state, the  
12 authority, or any other person as a result of their activities, whether  
13 ministerial or discretionary, as authority members, except for willful  
14 dishonesty or intentional violations of law. Members of the authority and  
15 any person executing bonds or policies of insurance shall not be liable  
16 personally thereon or be subject to any personal liability or  
17 accountability by reason of the issuance thereof. The authority may  
18 purchase liability insurance for members, officers, and employees and may  
19 indemnify any authority member to the same extent that a school district  
20 may indemnify a school board member pursuant to section 79-516.

21 Sec. 23. Section 58-843, Revised Statutes Cumulative Supplement,  
22 2018, is amended to read:

23 58-843 In the discretion of the authority any bonds issued under the  
24 Nebraska Educational, Health, Cultural, and Social Services Finance  
25 Authority Act may be secured by a trust indenture, which trust indenture  
26 may be in the form of a bond resolution or similar contract, by and  
27 between the authority and a corporate trustee or trustees which may be  
28 any financial institution having the power of a trust company or any  
29 trust company within or outside the state. Such trust indenture providing  
30 for the issuance of such bonds may pledge or assign the revenue to be  
31 received or proceeds of any contract or contracts pledged and may convey

1 or mortgage the project or any portion thereof. The trust indenture by  
2 which a pledge is created or an assignment made shall be filed in the  
3 records of the authority.

4 Any pledge or assignment made by the authority pursuant to this  
5 section shall be valid and binding from the time that the pledge or  
6 assignment is made, and the revenue so pledged and thereafter received by  
7 the authority shall immediately be subject to the lien of such pledge or  
8 assignment without physical delivery thereof or any further act. The lien  
9 of such pledge or assignment shall be valid and binding against all  
10 parties having claims of any kind in tort, contract, or otherwise against  
11 the authority irrespective of whether such parties have notice thereof.

12 Such trust indenture may set forth the rights and remedies of the  
13 bondholders and of the trustee or trustees, may restrict the individual  
14 right of action by bondholders, and may contain such provisions for  
15 protecting and enforcing the rights and remedies of the bondholders and  
16 of the trustee or trustees as may be reasonable and proper, not in  
17 violation of law, or provided for in the Nebraska Educational, Health,  
18 Cultural, and Social Services Finance Authority Act. Any such trust  
19 indenture may contain such other provisions as the authority may deem  
20 reasonable and proper for the security of the bondholders.

21 Any bank or trust company which acts as depository of the proceeds  
22 of the bonds, any revenue, or other money shall furnish such indemnifying  
23 bonds or pledge such securities as may be required by the authority.

24 All expenses incurred in carrying out the provisions of such trust  
25 indenture may be treated as a part of the cost of the operation of a  
26 project.

27 Sec. 24. Section 58-844, Revised Statutes Cumulative Supplement,  
28 2018, is amended to read:

29 58-844 In addition to any other methods of financing authorized in  
30 the Nebraska Educational, Health, Cultural, and Social Services Finance  
31 Authority Act, the authority may finance the cost of a project or

1 program, refund outstanding indebtedness, or reimburse advances from an  
2 endowment or any similar fund of an eligible institution as authorized by  
3 section 58-834 by issuing its bonds for the purpose of purchasing the  
4 securities of the eligible institution. Any such securities shall have  
5 the same principal amounts, maturities, and interest rates as the bonds  
6 being issued, may be secured by a first mortgage lien on or security  
7 interest in any real or personal property, subject to such exceptions as  
8 the authority may approve and created by a mortgage or security  
9 instrument satisfactory to the authority, and may be insured or  
10 guaranteed by others. Any such bonds shall be secured by a pledge of such  
11 securities under the trust indenture securing such bonds, shall be  
12 payable solely out of the payments to be made on such securities, and  
13 shall not exceed in principal amount the cost of such project or program,  
14 the refunding of such indebtedness, or reimbursement of such advances as  
15 determined by the eligible institution and approved by the authority. In  
16 other respects any such bonds shall be subject to the act, including  
17 sections 58-841 and 58-842, and the trust indenture securing such bonds  
18 may contain any of the provisions set forth in section 58-843 as the  
19 authority may consider appropriate.

20 If a project is financed pursuant to this section, the title to such  
21 project shall remain in the eligible institution owning such project,  
22 subject to the lien of the mortgage or security interest, if any,  
23 securing the securities then being purchased, and there shall be no lease  
24 of such facility between the authority and such eligible institution.

25 Section 58-840 shall not apply to any project financed pursuant to  
26 this section, but the authority shall return the securities purchased  
27 through the issuance of bonds pursuant to this section to the eligible  
28 institution issuing such securities when such bonds have been fully paid  
29 and retired or when adequate provision has been made to pay and retire  
30 such bonds fully and all other conditions of the trust indenture securing  
31 such bonds have been satisfied and any lien established pursuant to this

1 section has been released in accordance with the provisions of the trust  
2 indenture.

3 Sec. 25. Section 58-845, Revised Statutes Cumulative Supplement,  
4 2018, is amended to read:

5 58-845 Notwithstanding any other provision of the Nebraska  
6 Educational, Health, Cultural, and Social Services Finance Authority Act  
7 to the contrary, the authority may finance the cost of a project or  
8 program, refund outstanding indebtedness, or reimburse advances from any  
9 endowment or any similar fund of an eligible institution as authorized by  
10 the act, by issuing its bonds pursuant to a plan of financing involving  
11 the acquisition of any federally guaranteed security or securities or the  
12 acquisition or entering into of commitments to acquire any federally  
13 guaranteed security or securities. For purposes of this section,  
14 federally guaranteed security means any direct obligation of or  
15 obligation the principal of and interest on which are fully guaranteed or  
16 insured by the United States of America or any obligation issued by or  
17 the principal of and interest on which are fully guaranteed or insured by  
18 any agency or instrumentality of the United States of America, including  
19 without limitation any such obligation that is issued pursuant to the  
20 National Housing Act, or any successor provision of law, each as amended  
21 from time to time.

22 In furtherance of the powers granted in this section, the authority  
23 may acquire or enter into commitments to acquire any federally guaranteed  
24 security and pledge or otherwise use any such federally guaranteed  
25 security in such manner as the authority deems in its best interest to  
26 secure or otherwise provide a source of repayment of any of its bonds  
27 issued to finance or refinance a project or program or may enter into any  
28 appropriate agreement with any eligible institution whereby the authority  
29 may make a loan to any such eligible institution for the purpose of  
30 acquiring or entering into commitments to acquire any federally  
31 guaranteed security.

1 Any agreement entered into pursuant to this section may contain such  
2 provisions as are deemed necessary or desirable by the authority for the  
3 security or protection of the authority or the holders of such bonds,  
4 except that the authority, prior to making any such acquisition,  
5 commitment, or loan, shall first determine and enter into an agreement  
6 with any such eligible institution or any other appropriate institution  
7 or corporation to require that the proceeds derived from the acquisition  
8 of any such federally guaranteed security will be used, directly or  
9 indirectly, for the purpose of financing or refinancing a project or  
10 program.

11 Any bonds issued pursuant to this section shall not exceed in  
12 principal amount the cost of financing or refinancing such project or  
13 program as determined by the participating eligible institution and  
14 approved by the authority, except that such costs may include, without  
15 limitation, all costs and expenses necessary or incidental to the  
16 acquisition of or commitment to acquire any federally guaranteed security  
17 and to the issuance and obtaining of any insurance or guarantee of any  
18 obligation issued or incurred in connection with any federally guaranteed  
19 security. In other respects any such bonds shall be subject to the  
20 Nebraska Educational, Health, Cultural, and Social Services Finance  
21 Authority Act, including sections 58-841 and 58-842, and the trust  
22 indenture securing such bonds may contain such of the provisions set  
23 forth in section 58-843 as the authority may deem appropriate.

24 If a project is financed or refinanced pursuant to this section, the  
25 title to such project shall remain in the participating eligible  
26 institution owning the project, subject to the lien of any mortgage or  
27 security interest securing, directly or indirectly, the federally  
28 guaranteed securities then being purchased or to be purchased, and there  
29 shall be no lease of such facility between the authority and such  
30 eligible institution.

31 Section 58-840 shall not apply to any project financed pursuant to

1 this section, but the authority shall return the securities purchased  
2 through the issuance of bonds pursuant to this section to the issuer of  
3 such securities when such securities have been fully paid, when such  
4 bonds have been fully paid and retired, or when adequate provision, not  
5 involving the application of such securities, has been made to pay and  
6 retire such bonds fully, all other conditions of the trust indenture  
7 securing such bonds have been satisfied, and the lien on such bonds has  
8 been released in accordance with the Nebraska Educational, Health,  
9 Cultural, and Social Services Finance Authority Act.

10 Sec. 26. Section 58-846, Revised Statutes Cumulative Supplement,  
11 2018, is amended to read:

12 58-846 The authority is hereby authorized to provide by resolution  
13 for the issuance of refunding bonds for the purpose of refunding any  
14 bonds then outstanding which have been issued by it under the Nebraska  
15 Educational, Health, Cultural, and Social Services Finance Authority Act,  
16 including the payment of any redemption premium thereon and any interest  
17 accrued or to accrue to the date of maturity or earlier redemption of  
18 such bonds, and, in the case of a project and if deemed advisable by the  
19 authority, for the additional purposes of acquiring, constructing,  
20 improving, equipping, and renovating improvements, extensions, or  
21 enlargements of the project in connection with which the bonds to be  
22 refunded were issued and of paying any expenses which the authority  
23 determines may be necessary or incidental to the issuance of such  
24 refunding bonds and the acquiring, constructing, improving, equipping,  
25 and renovating of such improvements, extensions, or enlargements. Such  
26 refunding bonds shall be payable solely out of the revenue of the  
27 project, including any such improvements, extensions, or enlargements  
28 thereto, or program to which the bonds being refunded relate or as  
29 otherwise described in sections 58-841, 58-844, 58-845, 58-860, and  
30 58-861. The issuance of such bonds, the maturities and other details  
31 thereof, the rights of the holders thereof, the rights, duties, and

1 obligations of the authority with respect to such bonds, and the manner  
2 of sale thereof shall be governed by the act insofar as applicable.

3 The proceeds of any such bonds issued for the purpose of refunding  
4 outstanding bonds may, in the discretion of the authority, be applied to  
5 the purchase or retirement at maturity or earlier redemption of such  
6 outstanding bonds either on their earliest or any subsequent redemption  
7 date, upon the purchase of such bonds, or at the maturity of such bonds  
8 and may, pending such application, be placed in escrow to be applied to  
9 such purchase, retirement at maturity, or earlier redemption.

10 Any such escrowed proceeds, pending such use, may be invested and  
11 reinvested in direct obligations of the United States of America or  
12 obligations the timely payment of principal and interest on which is  
13 fully guaranteed by the United States of America, maturing at such time  
14 or times as shall be appropriate to assure the prompt payment of the  
15 principal of and interest and redemption premium, if any, on the  
16 outstanding bonds to be so refunded. The interest, income, and profits,  
17 if any, earned or realized on any such investment may also be applied to  
18 the payment of the outstanding bonds to be so refunded. Only after the  
19 terms of the escrow have been fully satisfied and carried out may any  
20 balance of such proceeds, interest, income, or profits earned or realized  
21 on the investments thereof be returned to the eligible institution for  
22 whose benefit the refunded bonds were issued for use by it in any lawful  
23 manner.

24 All such bonds shall be subject to the act in the same manner and to  
25 the same extent as other revenue bonds issued pursuant to the act.

26 Sec. 27. Section 58-847, Revised Statutes Cumulative Supplement,  
27 2018, is amended to read:

28 58-847 Bonds issued pursuant to the Nebraska Educational, Health,  
29 Cultural, and Social Services Finance Authority Act shall not be deemed  
30 to constitute a debt of the state or of any political subdivision thereof  
31 or a pledge of the faith and credit of the state or of any such political

1 subdivision, but such bonds shall be a limited obligation of the  
2 authority payable solely from the funds, securities, or government  
3 securities pledged for their payment as authorized in the act unless such  
4 bonds are refunded by refunding bonds issued under the act, which  
5 refunding bonds shall be payable solely from funds, securities, or  
6 government securities pledged for their payment as authorized in the act.  
7 All such revenue bonds shall contain on the face thereof a statement to  
8 the effect that the bonds, as to both principal and interest, are not an  
9 obligation of the State of Nebraska or of any political subdivision  
10 thereof but are limited obligations of the authority payable solely from  
11 revenue, securities, or government securities, as the case may be,  
12 pledged for their payment. All expenses incurred in carrying out the act  
13 shall be payable solely from funds provided under the authority of the  
14 act, and nothing contained in the act shall be construed to authorize the  
15 authority to incur indebtedness or liability on behalf of or payable by  
16 the state or any political subdivision thereof.

17 Sec. 28. Section 58-849, Revised Statutes Cumulative Supplement,  
18 2018, is amended to read:

19 58-849 All money received by the authority, whether as proceeds from  
20 the sale of bonds, from revenue, or otherwise, shall be deemed to be  
21 trust funds to be held and applied solely as provided in the Nebraska  
22 Educational, Health, Cultural, and Social Services Finance Authority Act  
23 but, prior to the time when needed for use, may be invested in direct and  
24 general obligations of or obligations fully and unconditionally  
25 guaranteed by the United States of America, obligations issued by  
26 agencies of the United States of America, any obligations of the United  
27 States of America or agencies thereof, obligations of this state, or any  
28 obligations or securities which may from time to time be legally  
29 purchased by governmental subdivisions of this state pursuant to  
30 subsection (1) of section 77-2341, except that any funds pledged to  
31 secure a bond issue shall be invested in the manner permitted by the

1 resolution or trust indenture securing such bonds. Such funds shall be  
2 deposited as soon as practical in a separate account or accounts in banks  
3 or trust companies organized under the laws of this state or in national  
4 banking associations. The money in such accounts shall be paid out on  
5 checks signed by the executive director or other officers or employees of  
6 the authority as the authority authorizes. All deposits of money shall,  
7 if required by the authority, be secured in such a manner as the  
8 authority determines to be prudent, and all banks or trust companies may  
9 give security for the deposits, except to the extent provided otherwise  
10 in the resolution authorizing the issuance of the related bonds or in the  
11 trust indenture securing such bonds. The resolution authorizing the  
12 issuance of such bonds or the trust indenture securing such bonds shall  
13 provide that any officer to whom or any bank or trust company to which  
14 such money is entrusted shall act as trustee of such money and shall hold  
15 and apply the same for the purposes of the Nebraska Educational, Health,  
16 Cultural, and Social Services Finance Authority Act, subject to the act,  
17 and of the authorizing resolution or trust indenture.

18 Sec. 29. Section 58-850, Revised Statutes Cumulative Supplement,  
19 2018, is amended to read:

20 58-850 Any holder of bonds or of any of the coupons appertaining  
21 thereto issued under the Nebraska Educational, Health, Cultural, and  
22 Social Services Finance Authority Act and the trustee under any trust  
23 indenture, except to the extent the rights given in the act may be  
24 restricted by the resolution or trust indenture, may, either at law or in  
25 equity, by suit, action, mandamus, or other proceedings, protect and  
26 enforce any and all rights under the laws of the state, the act, or such  
27 trust indenture or resolution authorizing the issuance of such bonds and  
28 may enforce and compel the performance of all duties required by the act  
29 or by such trust indenture or resolution to be performed by the authority  
30 or by any officer, employee, or agent thereof, including the fixing,  
31 charging, and collecting of rates, rents, loan payments, fees, and

1 charges authorized in the act and required by the provisions of such  
2 resolution or trust indenture to be fixed, established, and collected.

3       Such rights shall include the right to compel the performance of all  
4 duties of the authority required by the act or the resolution or trust  
5 indenture to enjoin unlawful activities and, in the event of default with  
6 respect to the payment of any principal of and premium, if any, and  
7 interest on any bond or in the performance of any covenant or agreement  
8 on the part of the authority in the resolution or trust indenture, to  
9 apply to a court having jurisdiction of the cause to appoint a receiver  
10 to administer and operate a project, the revenue of which is pledged to  
11 the payment of the principal of and premium, if any, and interest on such  
12 bonds, with full power to pay and to provide for payment of the principal  
13 of and premium, if any, and interest on such bonds, and with such powers,  
14 subject to the direction of the court, as are permitted by law and are  
15 accorded receivers in general equity cases, excluding any power to pledge  
16 additional revenue of the authority to the payment of such principal,  
17 premium, and interest, and to foreclose the mortgage on the project in  
18 the same manner as the foreclosure of a mortgage on real estate of  
19 private corporations.

20       Sec. 30. Section 58-851, Revised Statutes Cumulative Supplement,  
21 2018, is amended to read:

22       58-851 The Nebraska Educational, Health, Cultural, and Social  
23 Services Finance Authority Act, being necessary for the welfare of the  
24 state and its inhabitants, shall be liberally construed to effect the  
25 purposes thereof.

26       Sec. 31. Section 58-853, Revised Statutes Cumulative Supplement,  
27 2018, is amended to read:

28       58-853 The exercise of the powers granted by the Nebraska  
29 Educational, Health, Cultural, and Social Services Finance Authority Act  
30 shall be in all respects for the benefit of the people of the state, for  
31 the increase of their commerce, welfare, and prosperity, for the

1 fostering, encouragement, protection, and improvement of their health and  
2 living conditions, and for the development of their intellectual and  
3 mental capacities and skills, and as the operation, maintenance,  
4 financing, or refinancing of a project or program by the authority or its  
5 agent will constitute the performance of essential governmental functions  
6 and serve a public purpose, neither the authority nor its agent shall be  
7 required to pay any taxes or assessments, upon or with respect to a  
8 project or any property acquired or used by the authority or its agent  
9 under the act, upon the income therefrom, or upon any other amounts  
10 received by the authority in respect thereof, including payments of  
11 principal of or premium or interest on or in respect of any securities  
12 purchased pursuant to section 58-844 or any government securities  
13 involved in a plan of financing pursuant to section 58-845. The bonds  
14 issued under the act, the interest thereon, the proceeds received by a  
15 holder from the sale of such bonds to the extent of the holder's cost of  
16 acquisition, or proceeds received upon redemption prior to maturity,  
17 proceeds received at maturity, and the receipt of such interest and  
18 proceeds shall be exempt from taxation in the State of Nebraska for all  
19 purposes except the state inheritance tax.

20       Sec. 32. Section 58-854, Revised Statutes Cumulative Supplement,  
21 2018, is amended to read:

22       58-854 The State of Nebraska does hereby pledge to and agree with  
23 the holders of any obligations issued under the Nebraska Educational,  
24 Health, Cultural, and Social Services Finance Authority Act and with  
25 those parties who may enter into contracts with the authority pursuant to  
26 the act that the state will not limit or alter the rights vested in the  
27 authority until such obligations, together with the interest thereon, are  
28 fully met and discharged and such contracts are fully performed on the  
29 part of the authority, except that nothing contained in this section  
30 shall preclude such limitation or alteration if and when adequate  
31 provision is made by law for the protection of the holders of such

1 obligations of the authority or those entering into such contracts with  
2 the authority.

3 Sec. 33. Section 58-855, Revised Statutes Cumulative Supplement,  
4 2018, is amended to read:

5 58-855 The Nebraska Educational, Health, Cultural, and Social  
6 Services Finance Authority Act shall be deemed to provide a complete,  
7 additional, and alternative method for doing the things authorized in the  
8 act and shall be regarded as supplemental and additional to powers  
9 conferred by other laws. The issuance of bonds and refunding bonds under  
10 the act need not comply with the requirements of any other law applicable  
11 to the issuance of bonds, and the acquisition, construction, improvement,  
12 equipment, and renovation of a project pursuant to the act by the  
13 authority need not comply with the requirements of any competitive  
14 bidding law or other restriction imposed on the procedure for award of  
15 contracts for the acquisition, construction, improvement, equipment, and  
16 renovation of a project or the lease, sale, or disposition of property of  
17 the authority, except that if the prospective lessee so requests in  
18 writing, the authority shall call for construction bids in such manner as  
19 shall be determined by the authority with the approval of such lessee.  
20 Except as otherwise expressly provided in the act, none of the powers  
21 granted to the authority under the act shall be subject to the  
22 supervision of or regulation by or require the approval or consent of any  
23 municipality, ~~political subdivision~~, commission, board, body, bureau,  
24 official, or other political subdivision or agency of ~~of~~ the state.

25 Sec. 34. Section 58-856, Revised Statutes Cumulative Supplement,  
26 2018, is amended to read:

27 58-856 To the extent that the Nebraska Educational, Health,  
28 Cultural, and Social Services Finance Authority Act is inconsistent with  
29 the provisions of any general statute or special act or parts thereof,  
30 the Nebraska Educational, Health, Cultural, and Social Services Finance  
31 Authority Act shall be deemed controlling.

2 2018, is amended to read:

10 Nebraska Health Education Loan Repayment Fund, which shall consist of all  
11 revenue generated in connection with loans funded pursuant to the  
12 Nebraska Educational, Health, Cultural, and Social Services Finance  
13 Authority Act. The authority may pledge revenue received or to be  
14 received by the fund to secure bonds, notes, or other obligations issued  
15 pursuant to the act. The authority may create such subfunds or accounts

20 Assistance Program to be financed by the authority in the manner provided  
21 in the Nebraska Educational, Health, Cultural, and Social Services  
22 Finance Authority Act.

23           Sec. 38. Section 58-866, Revised Statutes Cumulative Supplement,  
24 2018, is amended to read:

25           58-866 (1) It is the intent of the Legislature that the changes made  
26 by Laws 1993, LB 465, in the name of the Nebraska Educational Facilities  
27 Authority Act to the Nebraska Educational Finance Authority Act and in  
28 the name of the Nebraska Educational Facilities Authority to the Nebraska  
29 Educational Finance Authority shall not affect or alter any rights,  
30 privileges, or obligations existing immediately prior to September 9,

1           (2) It is the intent of the Legislature that the changes made by
