

**Legislature - First Session - 2019**

**Introducer's Statement of Intent**

**LB10**

---

**Chairperson: Senator Curt Friesen**

**Committee: Transportation and Telecommunications**

**Date of Hearing: January 28, 2019**

The following constitutes the reasons for this bill and the purposes which are sought to be accomplished thereby:

The purpose of LB10 is to amend section 60-6,230 in order to make an exception for lighted billboard trucks. Currently, state statute allows for no color light other than red to be displayed on the back of any vehicle or piece of equipment on any highway in this state but under this bill, any color light on a lighted billboard vehicle would be allowed.

LB10 also allows for any color light, or light-emitting diodes to be attached to the sides and rear of a lighted billboard motor-vehicle.
