

One Hundred Sixth Legislature - Second Session - 2020

Introducer's Statement of Intent

LB782

Chairperson: Senator Matt Williams

Committee: Banking, Commerce and Insurance

Date of Hearing: January 21, 2020

The following constitutes the reasons for this bill and the purposes which are sought to be accomplished thereby:

LB782 would allow individuals to take the Certified Public Accountant (CPA) exam within 120 days prior to completion of necessary educational requirements. Under current statute, individuals are only allowed to take the exam within 60 days. In addition, the bill removes outdated language and changes the 90-day notification requirement to 150 days. The notification requirement is the amount of time the individual has to notify the Nebraska Board of Public Accountancy after the first test section of the exam is taken.
