

One Hundred Sixth Legislature - Second Session - 2020

Introducer's Statement of Intent

LB886

Chairperson: Senator Matt Williams

Committee: Banking, Commerce and Insurance

Date of Hearing: February 04, 2020

The following constitutes the reasons for this bill and the purposes which are sought to be accomplished thereby:

LB 886 would prohibit facilities providing health care services from advertising or holding itself out as being a network provider or accepting any health insurer unless the facility is a network provider of a health insurance plan. Additionally, the bill would prohibit any such facility from placing the name or logo of a health insurer in any signage or marketing materials if the facility is not a network provider.

Violation of the provisions of LB 886 would be considered a deceptive trade practice under the Uniform Deceptive Trade Practices Act and would make a contract entered into between a facility and a person covered by a health insurer voidable.
