

# **Legislature - First Session - 2019**

## **Introducer's Statement of Intent**

### **LR2**

---

**Chairperson: Senator Mike Hilgers**

**Committee: Executive Board**

**Date of Hearing: February 06, 2019**

The following constitutes the reasons for this bill and the purposes which are sought to be accomplished thereby:

LR2 would rescind any and all previous resolutions adopted by the Nebraska Legislature making application to Congress for a constitutional convention under Article V of the United States Constitution for specific purposes. The intent of the Constitutional authors certainly must have believed that these types of resolutions pending before the Congress must be current and recently adopted. The language in a few of the resolutions seems to agree with this. With the last of these resolutions being adopted almost a decade ago, the vast majority of Legislators currently in the Unicameral had no vote.

LR2 would rescind any and all previous resolutions adopted by past legislatures calling for a constitutional amendment, allowing the 106th legislature to approach the possibility of a constitutional convention with a clean slate.
