

AMENDMENTS TO LB241

Introduced by Vargas, 7.

1 1. On page 3, line 20, strike "(1) An" and insert "(1)(a) Except as
2 provided in subdivision (1)(b) of this section, an"; and after line 29
3 insert the following new subdivision:

4 "(b) If, after deployment of all measures described in subdivision
5 (1)(a) of this section, it is impossible to achieve the required six-foot
6 radius of space for a particular work position, an employer may apply to
7 the department for an exemption for that position. The application shall
8 be submitted in a form and manner prescribed by the department. The
9 application shall explain in detail the particular work position for
10 which such spacing cannot be achieved and the measures that have been
11 attempted. The department may grant an exemption if the department finds,
12 after reviewing the application, that the required six-foot radius is
13 impossible in a particular work position. An exemption under this
14 subdivision shall not be granted for common or congregate spaces or for
15 an entire facility. A request for an exemption under this subdivision
16 shall be considered a public record under section 84-712.01.".
