Re: Neb. Rev. Stat. §4-113 Annual Report

Public Benefits given to individuals, households, or family eligibility units by the Nebraska Department of transportation, Division of Aeronautics would be in the form of contracts with individuals to provide goods and services.

During the reporting period, January 1, 2020 through December 31, 2020, the division contracted with 6 individuals to provide pilot services, equipment rental, and land leases for navigational aids sites. There were no rejected applicants.

NDOT, Division of Aeronautics is an E Verify Program participant. The division has a process to ensure all contracts entered after October 1, 2009 comply with Neb. Rev. Stat. §54-108 et. seq.

Respectfully,

Andre B. Aman, Deputy Director & Legal Counsel
Nebraska Department of Transportation, Division of Aeronautics
