ANNUAL REPORT

Nebraska Department of
ECONOMIC DEVELOPMENT

NEBRASKA

Good Life. Great Opportunity.

ABOUT DED

Since 1967, the Nebraska Department of Economic Development (DED) has been focused on growing and diversifying the state's economic base, pursuing a good life with great opportunities on behalf of the people of Nebraska. As the state's lead economic development agency, the vision to grow Nebraska is what inspires us each and every day.

ABOUT THIS REPORT

We're proud to be efficient, effective and customer focused as we operate programs and administer resources for economic development. This document fulfills our pledge to our Governor, the Nebraska State Legislature and the taxpayers we serve to be transparent, accountable and proactive in the way we track and report activities and expenditures. Questions about this report? Contact us using the information provided.

LEARN MORE ABOUT US!

We want you to want to know more about DED's mission, programs and accomplishments! For more information about our agency and what we do — including our entire portfolio of programs and an archive of our previous annual reports — visit:

Follow us on social media to keep up-to-date on our latest news and activities!

WE'VE MOVED!

DED has relocated from the Nebraska State Office building to the following address:

Nebraska Department of Economic Development
245 Fallbrook Blvd., Suite 002
Lincoln, NE 68521

MESSAGE FROM DIRECTOR ANTHONY L. GOINS

Governor Ricketts, Members of the State Legislature and Fellow Nebraskans:

It is with great pride that I present to you the Nebraska Department of Economic Development's Legislative Annual Report for the 2021-2022 Fiscal Year.

This report chronicles 12 months of hard work by my incredible teammates to make efficient, effective use of Nebraska taxpayer dollars in the pursuit of our mutual vision to grow Nebraska.

As always, I am humbled by the skill, talent, and dedication of my staff, who show up each and every day with a mindset for improving the lives of citizens and families throughout our great state by creating opportunities and strengthening our communities, urban and rural.

This report details key data points and outcomes for just a slice of my Department's array of programs and services, as called upon annually by State statute. These programs touch upon areas of economic development that are vital to our goals: workforce, housing, entrepreneurship, community development. I hope that after reviewing this document, you will visit the DED website at opportunity.nebraska.gov to learn more about our many activities and initiatives.

In the meantime, please do not hesitate to contact us if you have questions about the current document and its contents.

On behalf of my staff, it is a pleasure to serve with you, as we approach economic challenges and embrace positive opportunities. The future of the state of Nebraska is bright, with unlimited horizons. So long as we continue to work as a team, and in the pursuit of exceptional leadership, there is no obstacle too great, nothing that we can't achieve.

Thank you for all you do. I look forward to continuing our growth momentum for the remainder of 2022 and beyond.

At the end of the day, WE ALL WEAR THE SAME JERSEY!

Sincerely,

Anthony L. Goins
Director

NEBRASKA

Good Life. Great Opportunity.

DEPT. OF ECONOMIC DEVELOPMENT

PART 1:
THE NEBRASKA BUSINESS INNOVATION ACT

High-tech. Entrepreneurial. Innovative: Adjectives that describe the high-growth startups and small-to-medium-size firms that comprise Nebraska’s business innovation ecosystem. From never-before-seen crop-based artificial intelligence, to the latest in animal vaccines, to revolutionary food, energy and water technologies that will feed and sustain the globe, our state’s economic competitiveness is fueled by job creators with the ingredients to succeed in a cutting-edge world.

To support the growth of early-stage, high-potential firms, DED administers funding under an array of Nebraska Business Innovation Act (BIA) programs that can help businesses succeed across every phase of the life cycle.

BIA Funding Narrative, Fiscal Year (FY) 2020-2021:

In total, DED received \$9,668,347.88 in requests for assistance under the BIA and its subprograms in FY 2020-21 across 93 applications. DED ultimately awarded \$5,139,392.75, as detailed in the BIA subprogram descriptions and tables presented below.

BIA Microenterprise Assistance Program

The Microenterprise Assistance Program funds Nebraska nonprofits that specialize in small business microlending and technical assistance.

After receiving two funding requests totaling \$1,000,000 in FY 2020-21, DED awarded a total of \$500,000 to two organizations under the Microenterprise Assistance Program, within the subheading of Microenterprise Lending (Table 1.1).

BIA Seed Investment (Commercialization) Program

- ▶ Supplies capital to investor-ready startups in the form of matching equity investments held by Invest Nebraska Corporation — DED’s nonprofit 501(c)3 partner.

DED received \$3,262,000 in funding requests from 14 applicants through the Seed Investment Program in FY 2020-21. DED awarded \$1,435,000 across seven recipients (Table 1.2).

BIA Innovation Fund Prototype Grant Program

- Supplies grants to support the development of investor-ready prototypes of innovative products, services and technologies.

DED received \$3,750,987 in funding requests from 48 applicants through the Innovation Fund Program in FY 2020-21. DED awarded \$1,695,591 across 31 recipients (Table 1.3). This included six awards under the special designation of Innovation in Value Added Agriculture, which reduces program matching requirements (VAA; see below).

Academic R&D Program

- Provides funding to companies who contract with, utilize the research and facilities of, or license technologies from a Nebraska institute of higher education to assist with an applied research project.

DED received \$848,361 in funding requests from 12 applicants through the Academic R&D Program in FY 2020-21. DED awarded \$706,802 across eight recipients (Table 1.4); this included three recipients with the Innovation in Value Added Agriculture designation (VAA; see below).

Table 1.4 Academic R&D Program Awards, FY 2020-2021

Phase I	BactLD	\$10,000	Omaha
Phase I	SanoCardio	\$64,195	Lincoln
Total		\$706,802	

BIA Prototype Program Supports Innovative Ag Startup

Grain bins are hot, dirty, dangerous places. That’s why Aurora-based robotics startup Grain Weevil was founded with one basic premise: build a robot so a farmer would never have to enter a grain bin again.

Just a short time later, Grain Weevil is garnering news headlines and attracting big-name investors for their innovative tech – which has the potential to not only save countless lives, but to save time and money while improving grain quality, and more importantly, producers’ quality of life.

A BIA Prototype Grant through DED helped Grain Weevil take its industry-changing idea from concept to creation.

“As a startup, that undiluted funding went a long way in helping us develop our company. It was extremely beneficial to our success to be able to build our first six robots for farm testing and trials.”

- Chad Johnson, CEO, The Grain Weevil Corporation

- Provides matching grants to small firms applying to or conducting R&D activities under the federal SBIR/STTR programs.

DED received \$807,000 in funding requests from 17 applicants through the SBIR/STTR Program in FY 2020-21. DED awarded \$802,000 across 16 recipients (Table 1.5).

Table 1.5 Nebraska SBIR/STTR Program Awards, Fiscal Year 2020-2021

PART 2:
THE NEBRASKA OPERATIONAL ASSISTANCE PROGRAM

Launched in 2007, the Nebraska Operational Assistance Program established a support network to help entrepreneurs and high-potential startups obtain the guidance, capital and resources to succeed.

Invest Nebraska, DED's nonprofit 501(c)(3) partner, spearheads the functions of the OAP on behalf of the State of Nebraska. A venture development organization led by successful entrepreneurs, Invest Nebraska specializes in advising and investing in early-stage companies; its goal is to serve the entrepreneurial community while embodying the entrepreneurial spirit. Invest Nebraska is governed by a 12-member volunteer board with an extensive background in accounting; angel investing; banking; early-stage entrepreneurial development and investment portfolio management; patent law; private

equity; transaction law; university research and commercialization; and venture capital. Since 2012, Invest Nebraska has provided financial assistance totaling \$29,175,000 to 185 Nebraska startups in the form of loans, convertible debt and equity, while providing operating assistance to 1,630 firms. As of 2020, these businesses had received a total of \$183,391,552 in co-invested capital in addition to financial assistance from Invest Nebraska. From 2012-2021, these companies created 937 direct jobs paying an average of \$66,921, and received 227 patents.

In 2021, Invest Nebraska:

- ▶ Reviewed 181 business plans.
- ▶ Engaged 233 entrepreneurs.
- ▶ Provided \$5,100,000 in financial assistance to 30 Nebraska businesses.
- ▶ Provided operational assistance to 331 total businesses.

Firms that received technical assistance and financial capital from Invest Nebraska in 2021 went on to generate \$33.125 million in leveraged venture capital investments.

Invest Nebraska Portfolio Spotlight: Ocuvera

Founded in 2013, Ocuvera's cutting-edge artificial intelligence and revolutionary depth cameras are being deployed in hospitals across the country to predict and alert staff to unattended patient bed exits. Using Ocuvera's proprietary software, hospitals have been able to virtually eliminate entire classes of patient falls and the resulting injuries and fatalities.

"There have been multiple times where the startup funding we received from Invest Nebraska and DED in general was literally what enabled us to keep the lights on. That support has been vital to the Ocuvera story, and has been a difference-maker in allowing us to succeed."

-Lucas Sabalka, Chief Data and Analytics Officer, Ocuvera

OCUVERA

PART 3:
THE CIVIC AND COMMUNITY CENTER FINANCING FUND

One of the best ways to grow Nebraska? Create vibrant communities people love to call home. The Civic and Community Center Financing Fund (CCCFF) provides a resource to help cities, towns and villages across the state invest in placemaking and develop the local amenities that promote quality of life and economic opportunity.

DED awards CCCFF funding to municipalities for planning and capital construction projects related to the development of civic, community and recreation centers. Buildings listed on the National Register of Historic Places that are intended for conversion, rehab or reuse are also eligible for funding under the program.

CCCFF is funded through a turn-back of 30% of new state sales tax generated by arenas and retailers near those arenas constructed under the Convention Center Facility Financing Assistance Act and Sports Arena Facility Financing Assistance Act, respectively. Most Nebraska municipalities are

eligible for CCCFF funding, and may apply for a grant in competition with other municipalities. Per statute, the cities of Omaha and Lincoln are not eligible. The City of Ralston and other municipalities that have received funding from the Sports Arena Facility Financing Assistance Act are also ineligible to apply for CCCFF.

2021 Program Year Funding Limitation

Due to the COVID-19 public health crisis and associated economic impacts, DED announced changes to the CCCFF program in 2020 that applied to the 2021 grant award cycle. Due to the projected impact of

the pandemic on the fund's future receipts, activities eligible for award under the application cycle beginning in January 2021 were limited to preliminary planning studies for future construction and rehabilitation projects.

2021 Application Cycle

DED ultimately received 16 letters of intent for CCCFF Planning awards for the 2021 application cycle, resulting in 13 applications being submitted totaling \$168,000. DED subsequently awarded all applications (Table 3.1). Following Table 3.1, these awards are described in detail.

Table 3.1 Civic and Community Center Financing Funds, Planning Awards, 2021 Program Year

Municipality	Amount Awarded	Matching Funds	Project Budget
City of Benkelman	\$9,000	\$10,000	\$19,000
City of Blair	\$15,000	\$15,000	\$30,000
City of Cozad	\$15,000	\$15,000	\$30,000
City of Imperial	\$14,000	\$14,000	\$28,000
City of Kimball	\$10,000	\$10,000	\$20,000

Village of Spalding	\$10,000	\$10,000	\$20,000
Village of Staplehurst	\$15,000	\$20,000	\$35,000
Village of Walthill	\$10,000	\$10,000	\$20,000
Total	\$168,000	\$184,000	\$352,000

Locals Cut the Ribbon on New and Improved Arapahoe Public Library

After three years of hard work, planning and fundraising, Arapahoe's freshly renovated public library opened once-and-for-all in August 2021. The project featured 1,200 square feet of major enhancements and a 1,700 square foot addition to the existing structure, which began its life as a church in 1959 before being converted to a library in the 1980's.

The project was made possible in part by a grant from the Civic and Community Center Financing Fund's Planning category.

Project leaders cut the ribbon on Arapahoe Public Library.

2021 CCCFF Planning Award Funding Descriptions:

- ▶ **The City of Benkelman** received a \$9,000 Planning award. The resulting architectural design and plan will involve the renovation of a vacant building, transforming it into an open-air public cultural space and event center. The space will be available for concerts, festivals and events. Local match was \$10,000.
- ▶ **The City of Blair** received a \$15,000 Planning award. It will determine the feasibility and cost of converting the Gardner-Hawks Center into a community/event center and sports complex. Local match was \$15,000.
- ▶ **The City of Cozad** received a \$15,000 Planning award for the preliminary design of a baseball and softball sports complex, including four ball fields, announcer buildings, concessions, green space and a parking area. Local match was \$15,000.
- ▶ **The City of Imperial** received a \$14,000 Planning award for a feasibility study, which will obtain community input on the renovation of an existing parking lot and outdoor area into a welcoming space for public gatherings and events. Local match was \$14,000.
- ▶ **The City of Kimball** received a \$10,000 Planning award for a feasibility study to renovate/replace the ex-

isting swimming pool. Local match was \$10,000.

- ▶ **The Village of Malcolm** received a \$15,000 Planning award for construction and schematic design documents related to the expansion of the existing ballfield into a three-field complex with two additional fields and a building to house concessions and restrooms. Local match was \$15,000.
- ▶ **The City of McCook** received a \$12,500 Planning award for a feasibility study and conceptual design development involving the renovation or replacement of the city's swimming pool. Local match was \$12,500.
- ▶ **The Village of Murray** received a \$12,500 Planning award to support programming and conceptual design study for the eventual construction of a new community center. Local match was \$12,500.
- ▶ **The City of Nebraska City** received a \$15,000 Planning award to develop plans for the renovation of the stage and kitchen of the Veterans Memorial Building into a space for community gatherings, public performances and opportunities for culinary entrepreneurial development.
- ▶ **The City of Scottsbluff** received a \$15,000 Planning award to develop engineering plans for improvements to the 18th Street Plaza, which will provide a safe,

family-friendly gathering place in the heart of the city. Improvements would include a stage, entry archways, landscaping, grass, sidewalks, lighting, fire pits, etc. Local match was \$15,000.

- ▶ **The Village of Spalding** received a \$10,000 Planning award to develop a plan for a multi-use facility, tentatively located at the local fair grounds. The facility will provide a space for community club events, fundraisers, weddings, youth clubs, a "snack shack" for ball games, and an exhibition center for agriculture and other county fair activities. Local match was \$10,000.
- ▶ **The Village of Staplehurst** received a \$15,000 Planning award to develop potential uses and programs for a recreational facility to address health and wellness needs for the area, in conjunction with the Seward County Wellness Center. Local match was \$20,000.
- ▶ **The Village of Walthill** received a \$10,000 Planning award to support the development of a new community center that will house wedding receptions, family reunions, festivals, fitness and health-related amenities, auctions, craft fairs, and related events. Local match was \$10,000.

CCCFF Non-Awards

All applications were awarded during the 2021 application cycle.

CCCFF Financial Information

Tables 3.2-3.5 provide detailed data on CCCFF program financials for the 2020-2021 Fiscal Year.

Factors Affecting Future Program Years

- ▶ **2022 Award Cycle:** Due to the impact of COVID-19 on arena and convention center business, the amount of aid available for award during the application cycle starting in January 2022 will be lower than in past years. Both funding categories – Planning and Capital Construction – are available for the 2022 award cycle.
- ▶ **Kearney-Awarded Sports Arena Facility Financing Act Funds:** The Sports Arena Facility Financing Assistance Act Board approved the City of Kearney's application to use state sales tax turnback revenues from a special taxing district. CCCFF is funded through a turn-back of 30% of new state sales tax generated by arenas and retailers near those arenas constructed under the Convention Center Facility Financing Assistance Act and Sports Arena Facility Financing Assistance Act, respectively. Kearney's award may provide additional resources to support CCCFF.
- ▶ **2022 Statutory Change Expanding Eligible Applicants:** Legislation in 2022 expanded eligibility to include tribal governments.

Table 3.2 CCCFF Revenue Generated for the Fund, FY 2020-2021

Interest Earned (481100-Investment Income)	\$55,144.60

PART 4:
THE NEBRASKA AFFORDABLE HOUSING TRUST FUND

Since 1996, the Nebraska Affordable Housing Trust Fund (NAHTF) has been helping communities and their nonprofit partners tackle the financial challenges to developing quality, affordable homes priced within reach of low-to-moderate income households.

NAHTF awards are available to units of local government and partnering nonprofit development organizations. The funds, requiring a 1:1 local match, can support a range of activities involving the construction or rehabilitation of homebuyer or rental units; homeowner down payment assistance; and organizational capacity-building. NAHTF awards are eligible to projects that benefit households at or below 120% of the area median income.

The following sections provide detailed financial and award-related information for the NAHTF 2021 calendar year.

NAHTF Financial Information, Calendar Year 2021

In 2021, revenue deposits from the documentary stamp tax to the NAHTF totaled \$15,237,593.92 and

interest earned was \$340,365.45. Requests for NAHTF assistance totaled \$12,802,950 across 34 applications; since all applications were awarded, this resulted in a total of \$12,802,950 in awards to 34 applicants. Appropriated funds expended by the Department totaled \$7,973,137.79.

All available funds were contracted to projects for the program year. The year-end NAHTF balance as of December 31, 2021, was \$28,308,934.33.

The Department's current estimated budget for administration of the NAHTF (spending authority for July 1, 2022-June 30, 2023) is \$799,405; the budget for aid during the same timeframe is \$12,750,000.

Grant Awards and Outcomes, Calendar Year 2021

DED awarded \$12,802,950 from the NAHTF during the 2021 calendar year across 34 applications. These awards:

- ▶ Resulted in the completion of 406 housing units

throughout the state, valued at \$49,598,051 in project costs.

- ▶ Generated \$2,543,584 in local matching funds and more than \$85.5 million in community investment, demonstrating the program's value for rallying local stakeholders to tackle housing needs and objectives.
- ▶ Leveraged \$34,251,517 in funding.
- ▶ Generated an estimated 345 jobs in construction, the skilled trades and other demand fields.

Table 4.1 provides detailed data pertaining to NAHTF awards and outcomes for the calendar year. Note that no non-select data follows Table 4.1, as all applications were awarded during the current reporting period.

NAHTF Calendar Year 2021 Non-Select Projects

No non-select data to report. All applications were awarded during the current reporting period.

North Platte Ties the Bow on Newest Affordable Rental Units

In November 2021, project leaders in North Platte held an open house to debut the newest addition to the city's affordable housing stock. The two new duplexes on display were spearheaded by Lincoln County Community Development Corporation.

The new units wrapped up the final development phase of the North Sheridan Estates, a rental complex consisting of six duplexes in all. Begun in 2012 with the demolition of an existing property, the Estates were built in three phases and represent a greater than \$1.3 million investment.

Funding from the NAHTF, administered by DED, played a major role in bringing the project's first and current phases to fruition. An award from the Rural Workforce Housing Fund contributed to phase 2.

PART 5:
THE RURAL WORKFORCE HOUSING FUND

Established by 2017's Rural Workforce Housing Investment Act, the Rural Workforce Housing Fund (RWHF) is spurring the development of quality, affordable workforce housing in counties of less than 100,000 inhabitants.

Awarded to nonprofit developers in collaboration with local governments, RWHF dollars are combined with at least 1:1 local match to generate revolving housing investment funds, which are put to work to finance new builds, rehabilitations and other housing activities.

RWHF Round 1 Funding

- ▶ DED awarded the first round of RWHF funding in 2018, with awards totaling \$7,009,000 to 14 nonprofit development organizations. That initial round of funding has since resulted in the

construction or substantial rehabilitation of over 800 housing units in more than three-dozen communities across Nebraska.

Table 5.1 Rural Workforce Housing Fund, Investments in 2021 Made by Round 1 Recipients

RWHF Round 1 Recipient	RWHF Service Area	Target Communities (if applicable)	2021 Investment Amount
South Central Development District, Inc.	Adams, Buffalo, Clay, Franklin, Hall, Hamilton, Harlan, Howard, Kearney, Merrick, Nuckolls, Phelps, and Webster Counties		\$554,500
Central Nebraska Economic. Development, Inc.	Blaine, Boyd, Brown, Cherry, Custer, Garfield, Greeley, Holt, Keya Paha, Loup, Rock, Sherman, Valley and Wheeler Counties	O'Neill and Valentine	\$200,836
SEND, Inc.	Polk, Butler, Saunders, York, Seward, Cass, Otoe, Fillmore, Saline, Johnson, Nemaha, Thayer, Jefferson, Gage, Pawnee, and Richardson Counties	Auburn, Beatrice, Deshler, Fairbury, Geneva	\$100,600
MAPA Foundation	Blair		\$538,610
Wayne Community Housing Development Corporation	Wayne and Wakefield	\$10,940.23	\$252,155
Economic Development Council of Buffalo County	Buffalo County	Kearney, Ravenna, and Gibbon	\$80,000
North Platte Area Chamber and Development Corporation	Lincoln County		\$24,000
Total			\$1,750,701

- ▶ More investments will come to fruition from this initial round of funding as funds continue to revolve. Through 2021, over \$20 million has been invested through RWHF Round 1 funds, tallying \$113,572,431 in total project costs. This represents a 16:1 return on initial State investment.
- ▶ Recipients, project areas, and investments pertaining to RWHF 2017 funding are described in detail for the 2018, 2019 and 2020 program years within the Department's three prior Legislative Annual reports, which can be accessed at opportunity.nebraska.gov.

- ▶ In 2021, recipients of the first round of RWHF funding (2017) invested an additional \$1,750,701. This resulted in the new construction of 10 workforce housing units and the substantial rehabilitation of nine units, with total project costs valued at \$3.69 million.
- ▶ Table 5.1 reports investments made during the current reporting period (calendar year 2021) by recipients of the first round of RWHF funding. Note that data is provided only for those recipients who made new investments. Detailed award and other data for these recipients is provided in the Department's three previous annual reports.

RWHF Round 2 Funding in 2021

- ▶ Given the tremendous success of RWHF Round 1, the State Legislature invested an additional \$10 million for award in 2021. The majority of recipients gathered matching funds and drew State funds in 2021.
- ▶ To date, three Round 2 recipients have invested \$1,994,296 in projects, resulting in the new construction of 36 workforce housing units and the substantial rehabilitation of two additional units, with project costs totaling over \$8.4 million.

► Table 5.2 lists RWHF Round 2 Recipients, awards, service area information, and investments made in 2021.

Table 5.2 Rural Workforce Housing Fund: Investments in 2021 Made by Round 2 Recipients

Nebraska Communities Make Innovative Use of RWHF

October 2021 marked progress on the housing front in O'Neill, as Lieutenant Governor Mike Foley joined locals and project leaders to cut the ribbon on three new builds made possible by Nebraska's Rural Workforce Housing Fund.

The duplex rental and single-family home on display were financed in part by a \$239,630 grant in 2018 to Central Nebraska Economic Development, Inc., with matching contributions from the City and the Nebraska Investment Finance Authority (NIFA).

PART 6:
THE MIDDLE-INCOME WORKFORCE HOUSING ACT

Created under the 2020 Middle Income Workforce Housing Investment Act (LB866) and signed into law by Gov. Ricketts, the MWHF provides matching grants to Nebraska nonprofits for investment into older neighborhoods and higher minority areas within parts of Douglas, Lancaster and Sarpy Counties.

The awards will empower recipients to invest in local revolving workforce housing investment funds and spearhead projects – from new construction or rehabilitation to upper-story development – that add to the quantity of owner-occupied workforce housing options in their service areas.

MWHF Funding Narrative, Fiscal Year 2020-2021

DED received \$9,825,000 in requests for funding through the

MWHF in FY 2020-2021, across 10 applicants. DED awarded a total of \$9,601,990 to 10 applicants (Table 6.1). Applicants contributed \$9,601,990 in matching funds.

See the table on the next page for a list of MWHF applicants, their service areas, funding awarded and additional details.

MWHF Investments-to-Date

Due to the timing of awards and disbursement of funds during the current reporting period, only one investment is available on which to report. See Table 6.1 below. More information will be available as part of the Department’s Fiscal Year 2021-22 Legislative Annual Report.

Table 6.1 Middle Income Workforce Housing Recipients, Fiscal Year 2020-2021

Applicant	Service Area	Target Communities (if Applicable)	Matching Funds	Funds Requested	Funds Awarded	Investment

PART 7:
THE CUSTOMIZED JOB TRAINING PROGRAM

Growing the workforce is one of the most important economic issues of our time. CJT grants can help Nebraska job creators defer costs associated with training new or existing employees. This helps bring quality jobs to our state by ensuring Nebraska remains a competitive choice for businesses weighing relocation or expansion destinations.

CJT grants are available to support projects that create jobs, or, due to new technology and equipment, require new skills training to enable the retention of existing employees. Businesses have one to three years to complete training for employees under CJT, and must maintain their employee baseline as of the time of application for at least two years.

Activities eligible under CJT include on-the-job training; preemployment

training; classroom training (on-site or at an institute of higher education); training tuition and fees; training materials and equipment; and other costs associated with training to adapt to new technologies or product lines.

See below for a description of DED-administered CJT funding for the 2021 program year.

CJT Active Grants, 2021 Program Year

A total of nine CJT contracts were active during the 2021 program year, representing \$5,181,700 in awards. Expenditures to date under those contracts total \$4,982,798. A total of 1,135 new employees have been trained as a result of CJT contracts that were active during 2021 (Table 7.1).

Table 7.1 Customized Job Training Active Contracts, 2021 Program Year

Business Name	Award	Expenditures to Date	New Employees Trained	Existing Employees Trained	Training Period Start Date	Training Period End Date
Monolith Materials	\$130,000.00	\$121,123.50	26	0	5/1/18	5/1/20

Petsource by Scoular	\$120,000.00	\$96,000.00	60	0	6/29/20	6/28/21
Corbion	\$15,000.00		5	0	3/1/21	2/28/22
Total	\$5,181,700	\$4,982,798.35	1,135			

CJT Closed Grants 2021 Program Year

As shown in Table 7.2, two CJT contracts were closed during the 2021 program year, representing \$135,000 in awards. These awards resulted in 88 new and 40 existing employees being trained between 2016-2019 (Table 7.2).

Table 7.2 Customized Job Training Closed Contracts, 2021 Program Year

Business Name	Award	Expenditures to Date	New Employees Trained	Existing Employees Trained	Training Period Start Date	Training Period End Date
Michael Foods	\$43,000.00	\$28,650.13	42	40	1/1/16	1/1/19
ACASS Systems Solutions	\$92,000.00	\$80,627.00	46	0	4/11/16	4/11/19
Total:	\$135,000	\$109,277.13	84	40		

Use of Community Colleges or Private/In-House Training

Lincoln Premium Poultry has utilized private and/or in-house training services. Utilized training programs include Alchemy Systems, which offers integrated programs at over 50,000 workplace locations; National Safety Council, which has served as the nation's leading safety advocate for over 100 years; Multi-Skills Training Services, which has been a leader in industrial skills training for over 26 years; Fletcher Safety Consulting, which provides OSHA certification and training; Lifeloc Technologies, which offers a wide variety of drug and alcohol program training; Vector Solutions/Convergence Training, which provides safety, industrial skills development, and compliance training; the University of Nebraska-Lincoln; Best Care EAP Training, which offers human resources training; BRL Training Portal on HR Hero, which offers human resources training; Work Warrior, which provides manager and organizational management training; PAACO, a preeminent authority on animal welfare and welfare auditing; GAF Consulting, which provides training for food safety program review; AgriStats, Inc., a data company in operation since 1985; AIB International, which provides HACCP Training for techs; and Poultry 101, a University of Arkansas product quality workshop.

PART 8:

INTERN NEBRASKA (InternNE)

Internships and apprenticeships are a critical part of our efforts to attract and retain talented young Nebraskans and grow the workforce. Industry leaders project a shortage of skilled labor over the next decade and beyond. Meanwhile, creating internship opportunities and real-world work experiences is a proven strategy for encouraging youth to choose Nebraska as a place to call home and launch a career. The National Association of Colleges and Employers reports that more than half of paid and unpaid interns in 2019 converted into full-time entry-level hires, with up to 80% choosing to stay in the region where they interned.

The Intern Nebraska Grant Program (InternNE) provides financial assistance to businesses that create new internships in Nebraska. InternNE grants can reimburse up to a 50% of an intern's wages, up to \$5,000 per internship. If the intern

is receiving a federal Pell Grant, InternNE can reimburse up to 75% of wages, up to \$7,500 per internship. Since its inception, InternNE has helped nearly 800 unique companies in Nebraska create over 3,583

internships. During the 2021 program year, DED awarded \$354,000 in InternNE funding, supporting 127 internships among 61 Nebraska employers. See Table 8.1 for details.

Medical Company Leverages InternNE Program to Build Talent Pipeline

Omaha-based Banyan Medical Solutions — a high-growth tech company that’s been pioneering innovations in hospital care since 2008 — is a three-time InternNE recipient, including a grant for four internships received by the company in 2021.

“As a technology startup, anything we can do to find young talent and help us grow is important,” said Senior Vice President of Human Resources Rikki Wardyn. “At the same time, when we’re focusing our resources into R&D and innovation, the financial support we can receive through the InternNE program is incredibly helpful.”

But that’s not all. Wardyn says the interns Banyan hires through the program — from software developers to administrative positions — often go on to accept full-time jobs with the company, making the program more than just a short-term solution.

“One of our big success stories is an accounting intern who we promoted to team lead, and who’s now our accounting manager. The InternNE program has provided us a great talent pipeline for growth, as well as an invaluable platform of experience for our interns. It’s really a win-win.”

PART 9:
THE SITE AND BUILDING DEVELOPMENT FUND

Industry-ready sites, buildings and infrastructure give a competitive edge to Nebraska communities seeking to attract high-quality job creators. Through the Site and Building Development Fund (SBDF), DED can help local stakeholders – whether independently or in collaboration with targeted employers – develop the facilities capable of achieving major retention, recruitment or expansion victories.

DED competitively awards SBDF grants to local governments and Nebraska-based nonprofit organizations to support a range of activities, including land and building acquisition; building construction or acquisition; site preparation; infrastructure development and improvements; engineering and design costs; technical assistance

and planning; and other pre-approved costs. SBDF grants require a 1:1 match.

In 2021, DED awarded \$4,250,000 across 12 SBDF recipients to support projects in Adams, Buffalo, Cheyenne, Clay, Dodge, Douglas, Platte, Sarpy, and Washington Counties. This distribution of

funding occurred in 66.7% rural and 33.3% urban areas of the state, and impacted industries ranging from technology, to advanced manufacturing, to renewable energy.

Table 9.1 provides data pertaining to SBDF awards made during the 2021 program year.

Table 9.1 Site and Building Development Awards, 2021 Program Year

Eligible Applicant	Benefiting Business	County	Award
Gateway Development Corporation	Dollar General	Washington	\$500,000
Sarpy County Economic Development Corporation	Amazon.com Services, LLC	Sarpy	\$1,500,000
Hastings Economic Development Corporation	Breechblock Renewables	Adams	\$1,000,000
