Enclosure

University of Nebraska Board of Regents
Report to the Legislature as Required by LB 1093
Measurements Regarding Nebraska Innovation Campus
Reporting year 2021

(Submitted by December 1 of each year)

Background

Nebraska Innovation Campus Development Corporation (NICDC), through its board of directors, has a 25-year buildout goal for the completion of NIC. NICDC is monitoring for on-time completion and is currently reporting that NIC is currently slightly ahead of that development timeline. In fact, Nebraska Innovation Campus (NIC) is currently developing at a rate equal to or faster than research parks listed for comparison in the university's response to LR200, all of which are more advanced/mature on their own development timelines.

Responses

1. *Percentage of investments by the state and university compared to private sector investments*

As of June 30, 2021, \$241 million has been invested at Nebraska Innovation Campus. This includes the core and shell cost for the Rise building, but does not include tenant improvements.

Private Sector	115,819
State & University	<u>125,280</u>
	241,099

2. *The number of square feet of construction*

As of June 30, 2021, NIC had 454,698 square feet of constructed space. Details regarding the available square feet is noted below. Vacant space is warm core and shell and not finished. Of the total space, 8.5% is available for lease from the private developer and an additional 5.8% is available as a sublease through the University.

(See Summary on Next Page)

Rentable Building Name	Total Square Feet	University	Conference Center		Available	UNL Sub	Vacant
			Private	UNL Sublease	Leases	UNL Sub Lease

Note:

* Conference Center is owned by the University

** Both buildings are master leased by the university with noted sublease space available to private companies

3. The number of private sector companies located on Nebraska Innovation Campus

Calendar Year 2019 - 58 companies

Calendar Year 2020 - 58 companies

4. The number of private sector jobs located on Nebraska Innovation Campus

In response to LB 1093, NICDC engaged the UNL Bureau of Business Research to conduct a survey of university and private sector activities on Nebraska Innovation Campus (“Tenant Survey”). The goal of the Tenant Survey was to provide more robust and independently verified data for this response without compromising proprietary information of NIC’s private sector partners. This was the sixth year of the survey. Reported employment from the Tenant Survey is below.

Sector	Employment			Total
	Permanent	Student Interns	Other Temporary	
Private Sector	356	50	9	415
UNL	217	38	86	341
Total	573	88	95	756

5. The amount of private sector research funding to the university attributable to Nebraska Innovation Campus

For the years ending June 30, 2020 and 2021, the University reports the following sponsored research funding attributable to NIC and its sources.

	YTD	
	6/30/2020	6/30/2021
