Dear Mr. O'Donnell,

Nebraska Statute 83-4,134.01 requires Nebraska's juvenile facilities to report quarterly to the Legislature within two weeks after the end of each quarter, information regarding the use of room confinement in Nebraska's juvenile facilities.

Attached, please find letters certifying that the Whitehall Psychiatric Residential Treatment Facility and the Youth Rehabilitation and Treatment Center at Geneva did not utilize room confinement for the third quarter of fiscal year 2020/2021.

Also attached is the room confinement usage data for both the Youth Rehabilitation and Treatment Center at Kearney and the DHHS Office of Juvenile Services (DHHS OJS) Lincoln facility for the third quarter of fiscal year 2020/2021. Both facilities followed Center for Disease Control (CDC) and local Public Health Department recommendations on the use of medical quarantine for youth testing positive or exposed to COVID-19. Youth entering the facilities were also placed in quarantine until they could be tested for COVID-19.

The Youth Rehabilitation and Treatment Center system continues to use room confinement as a behavioral management tool for the high risk youth in our care. Efforts are continually being made to ensure that youth are only in confinement for the shortest amount of time possible to ensure their safety and the safety of the other youth and staff around them.

Sincerely,

Mark LaBouchardiere

Mr. O'Donnell,

Nebraska Statute 83-4,134.01 requires Nebraska's juvenile facilities to report quarterly to the Legislature and the Office of the Inspector General within two weeks after the end of each quarter, information regarding the use of room confinement in Nebraska's juvenile facilities.

The Youth Rehabilitation and Treatment Center (YRTC) - Geneva is a re-entry program for female youth who will be returning to the community and have met their treatment goals at the main YRTC-Kearney campus. The YRTC-Geneva has not utilized room confinement during the third quarter of fiscal year 2020/2021, encompassing the time frame from January 1, 2021 to March 31, 2021.

Mr. O'Donnell,

Nebraska Statute 83-4,134.01 requires Nebraska's juvenile facilities to report quarterly to the Legislature and the Office of the Inspector General within two weeks after the end of each quarter, information regarding the use of room confinement in Nebraska's juvenile facilities.

Respectfully, the Whitehall Psychiatric Treatment Facility submits the following information for usage of room confinement for the third quarter of fiscal year 2020/2021.

- January 1, 2021 to March 31, 2021: No room confinement was used.

While the child care license in which the Whitehall Psychiatric Treatment Facility is authorized to provide services allows for the use of room confinement, the facility has elected to not use this as an option for behavioral management for youth and as such does not allow this practice in our policies or procedures. The facility staff have elected and will continue to use behavioral management techniques with youth that aid in their de-escalation without the use of room confinement but still provide the safest environment for our youth and staff.

Sincerely,
