Summary of purpose and/or changes:

Among the general duties of a county clerk is a duty to preserve and file all accounts acted upon by the county board. County clerks are currently required to semiannually certify the total amount of unpaid claims of the county to the county treasurer. Those twice yearly certifications currently include any such unpaid claims as of June 15th and December 15th. This bill would move the certification dates to June 30th and December 31st, respectively.
