Summary of purpose and/or changes:

This bill would remedy a separation of powers issue created by the enactment of Senator Pansing Brooks' LB 850 (2020). The memorial committee created under LB 850 included the chair of the Government, Military and Veterans Affairs Committee as a member. This bill would amend the provisions of law created by LB 850 to provide that the chair of this legislative committee is an ex officio, non-voting member of the memorial committee.

Tom Brewer, Chairperson
