Summary of purpose and/or changes:

LB 355 identifies five changes to various sections that the State Court Administrator has indicated need to be made due to outdated language, to increase clarity, or other reasons.

Section by section

Section 1 Amends section 11-125 regarding bonds for county officials, to strike a reference to county judges and clerk magistrates as bonds for those offices are paid by the state.

Section 2 Amends section 25-1093.03 regarding replevin actions, to require that the service of summons must occur within three days after the issuance.

Section 3 Amends section 25-2804 regarding small claims court, to remove a specific listing of items on the claim form and replace it with forms as prescribed by the Supreme Court.

Section 4 Amends section 43-113 regarding adoption records, to strike language referring to microfilm and replaces it with a reference to a section regarding record retention.

Section 5 Amends section 76-711 regarding condemnation proceedings, to remove some language regarding deposits made to the court during the proceedings.

Section 6 Repeals original sections.
