Summary of purpose and/or changes:

LB 381, introduced by the Speaker at the request of the Governor, is a part of the Governor's biennial budget recommendations. This bill makes appropriations each year of the biennium for the salaries and benefits of the 49 State Senators. This separate appropriation bill is required by the State Constitution and funds the \$12,000 annual salary of each senator and the corresponding employer payroll contribution for social security. This legislative bill contains the emergency clause and becomes operative on July 1, 2021.
