Summary of purpose and/or changes:

LB 58 would change the process for providing notice regarding a lien for a special assessment. The proposal would allow a notice containing the amount owed, due date and date the Board of Equalization meets instead of a copy of the published notice.

Section 1 Amends section 25-520.01 regarding the notice for special assessments, by adding a new subsection (4), that would allow the notice to include the amount owed, date due and date the Board of Equalization meets rather than the entire published notice.

Section 2 Repeals original section.
