LB 1236 amends the Nebraska Liquor Control Act related to craft breweries.

LB 1236 would allow craft breweries to directly sell or resell a certain amount of barrels per year to off-premises sites in Nebraska. As introduced, LB 1236 does not provide a limit.

LB 1236 also would allow craft breweries to store their product in an offsite storage facility after notice to the commission has been provided.

The Nebraska Liquor Control Commission finds the fiscal impact unclear, and assumes no significant impact. There is no basis to disagree with this estimate.

**Explanation of Estimate:**

NLCC anticipates there may be an increased need for enforcement to verify off-site storage locations in order to confirm security of the taxable product. However, NLCC is unable to determine a cost. Therefore, NLCC anticipates no fiscal impact for implementation of LB1236.
