Any Fiscal Notes received from state agencies and political subdivisions are attached following the Legislative Fiscal Analyst Estimate.

LB 1241 changes provisions relating to law enforcement officer training and provides the Nebraska Police Standards Advisory Council perform certain duties including administering a reciprocity test that applicants are required to pass prior to receiving certification.

The Commission on Law Enforcement and Criminal Justice would need to contract with an independent consultant to develop and validate the exam. The Commission estimates a one-time cost of \$80,000 to complete this task.

There is no reason to disagree with this estimate.
