Any Fiscal Notes received from state agencies and political subdivisions are attached following the Legislative Fiscal Analyst Estimate.

LB251 would change the age at which an individual may choose to be an organ and tissue donor from 16, to 14. Additionally, the statute which prescribes a special notation indicating an individual is an organ and tissue donor may be placed on an individual's state identification card or operator's license would be amended to indicate this option is available to individuals who are 14 years of age, rather than 16 years of age.

The Department of Motor Vehicles indicates there are costs associated with system programming and updating the Nebraska Driver's Manual. However, the costs are able to be absorbed within the existing appropriation. There is no basis to disagree with the agencies assessment.
