LB 371 seeks to allow for the operation of games of chance pursuant to the Nebraska Racetrack Gaming Act at any state, district, or county agricultural society fair.

It's impossible to estimate the fiscal impact of LB 371 currently. We're unable to know how much gambling activity will be seen throughout the State, nor in what concentration or for how long. Revenue gained from the taxation of games of chance will be distributed to the General Fund and the Compulsive Gamblers Fund, as well as the cities and counties where the gambling is being conducted.

LB 371 would become operative January 1, 2022.
