This bill would change permit and renewal time periods under the Concealed Handgun Permit Act. It would increase the renewal period from 5 to 10 years.

The renewal fee is \$50 and the fee revenue is deposited into the State Patrol Cash Fund. Expenditures related to administering the concealed carry program also come this cash fund. Because this bill doubles the length of time for renewal, fee revenues to the State Patrol Cash Fund could decrease. This could have an impact on the State Patrol's ability to administer the concealed carry program.

This fiscal note may be updated to include the response of the State Patrol when received.
