As originally written, LB792 would fund the construction and equipment at the Youth Rehabilitation and Treatment Center at Kearney. This fiscal note incorporates the changes brought with AM2430, which provides funding to the Board of Regents of the University of Nebraska program 781. The funds are to be allocated to the University of Nebraska Medical Center (UNMC) to be used for ongoing operational support for the Rural Health Complex at Kearney (American Rescue Plan Act federal funding as provided via LB1014). AM2430 also expresses an intent that the annual appropriation request will ramp up to the full request of \$15,000,000 in FY2024-25. Below is an excerpt from a chart provided by the University of Nebraska which shows the estimated spending of the above amounts:
