4 income or, for corporations and fiduciaries, federal taxable income shall
5 be made for interest or dividends received:

6 (a)(i) There shall be subtracted interest or dividends received by
7 the owner of obligations of the United States and its territories and

17 and other income received from a regulated investment company which is

19 subsection as reported to the recipient by the regulated investment
20 company;

21 (c) There shall be added interest or dividends received by the owner
22 of obligations of the District of Columbia, other states of the United

25 income for federal income tax purposes except that such interest or
26 dividends shall not be added if received by a corporation which is a

31 subsection and excluded for federal income tax purposes as reported to

1 the recipient by the regulated investment company; and

2 (e)(i) Any amount subtracted under this subsection shall be reduced
3 by any interest on indebtedness incurred to carry the obligations or
4 securities described in this subsection or the investment in the
5 regulated investment company and by any expenses incurred in the
6 production of interest or dividend income described in this subsection to
7 the extent that such expenses, including amortizable bond premiums, are
8 deductible in determining federal taxable income.

9 (ii) Any amount added under this subsection shall be reduced by any
10 expenses incurred in the production of such income to the extent
11 disallowed in the computation of federal taxable income.

12 (2) There shall be allowed a net operating loss derived from or
13 connected with Nebraska sources computed under rules and regulations
14 adopted and promulgated by the Tax Commissioner consistent, to the extent
15 possible under the Nebraska Revenue Act of 1967, with the laws of the

22 carryovers or carrybacks shall be limited to the portion of the loss
23 derived from or connected with Nebraska sources.

24 (3) There shall be subtracted from federal adjusted gross income for
25 all taxable years beginning on or after January 1, 1987, the amount of

16 taxes that may be deducted shall be computed in the following manner:

17 (a) The amount of federal taxable income from operations within a
18 foreign taxing jurisdiction shall be reduced by the amount of taxes

23 maximum tax rate for corporations in the Internal Revenue Code; and

24 (c) The result of the calculation in subdivision (b) of this
25 subsection shall be subtracted from the amount of federal taxable income
26 used in subdivision (a) of this subsection. The result of such
27 calculation, if greater than zero, shall be subtracted from federal
28 taxable income.

15 filing separate return or ten thousand dollars for any other return. With
16 respect to a qualified rollover within the meaning of section 529 of the
17 Internal Revenue Code from another state's plan, any interest, earnings,
18 and state contributions received from the other state's educational
19 savings plan which is qualified under section 529 of the code shall
20 qualify for the reduction provided in this subdivision. For contributions

4 agreement refunded to the taxpayer as a participant in the Nebraska
5 educational savings plan trust to the extent previously deducted under
6 subdivision (8)(b) of this section; and
